

PUBLIC STATEMENT CONCERNING THE NEWS ITEMS WHICH APPEARED IN THE MEDIA ABOUT CODERE

4 May 2021

In relation to the news circulated in some media about a complaint submitted by some Codere shareholders, the CNMV wishes to clarify that:

1. In February 2019, a complaint was filed with the CNMV by the aforementioned shareholders, which was followed by seven supplementary complaints between July 2019 and October 2020.
2. After a detailed analysis of all the documentation submitted, the CNMV found no evidence of concerted action or situations that would generate a mandatory takeover bid, which led to the provisional closure of the proceedings in November 2020, and which was duly notified to the complainants.
3. In January 2021, the CNMV received a claim in relation to the filing of said complaint on the same facts, which is the one referred to in the above-mentioned press reports.
