

SOLEDAD GARCÍA SANTA: NEW CNMV DELEGATE IN BILBAO

17 December 2025

The chair of the Spanish National Securities Market Commission (CNMV), Carlos San Basilio, has appointed Soledad García Santa as the new CNMV delegate for the Bilbao office. She will succeed Concepción Cabezudo.

The newly appointed delegate has previously worked in the Market Surveillance Unit and has more than 20 years' experience at the CNMV.

The Bilbao office was opened in 2021 to strengthen the CNMV's presence within the Basque financial environment and to provide improved support to investors and supervised entities in the region.

Since then, the CNMV has built relationships with the most prominent stakeholders in the sector and has taken part in public events, meetings and financial education activities, among other initiatives. These efforts have helped fulfil the objectives for which the office was created and the CNMV therefore wishes to acknowledge Concepción Cabezudo's dedication and contribution over these years.

Soledad's role will be to support the strategy already undertaken to achieve the objectives of both the Bilbao office and the CNMV as a whole.
