Reference is made to our notices of other relevant information of 17 March and 29 May 2026 (with official registry numbers 39,760 and 41,149, respectively), relating to the approval and launch of the buy-back programme of own shares (the “**Buy-back Programme**”) by the Board of Directors of “Iberdrola, S.A.” (the “**Company**”).

This programme was launched in accordance with the authorisation granted at the General Shareholders’ Meeting of the Company held on first call on 29 May 2026 under item 20 of the agenda, which expressly covers the Buy-back Programme and replaces the authorisation granted at the General Shareholders’ Meeting held on second call on 17 June 2022, under item 19 of the agenda, which was in force at the time of the approval of such programme.

Pursuant to article 227 of *Act 6/2023, of 17 March, of the Securities Market and Investment Services (Ley 6/2023, de 17 de marzo, de los Mercados de Valores y de los Servicios de Inversión)* and related provisions, and in accordance with articles 2.2 and 2.3 of *Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council with regard to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures (the “**Regulation 2016/1052**”)*, we hereby inform you of the following:

- The Company terminated the Buy-back Programme with effects as of the end of the trading session of 10 June 2026, as the purpose for which it was launched had been fully accomplished.

It is hereby stated that the acquisition of own shares under the Buy-back Programme has been communicated in accordance with the provisions of articles 2.2 and 2.3 of *Regulation 2016/1052*, and has been carried out pursuant to the terms and conditions established in such regulation.

The execution of the share capital reduction resolution, approved by the General Shareholders' Meeting of the Company held on first call on 29 May 2026 under item 10.1 of the agenda (the "**Reduction Resolution**" and the "**Share Capital Reduction**", respectively), is expected to take place within one month from the date of conclusion of the Buy-back Programme (that is, before 10 July 2026). To that effect:

- The Share Capital Reduction will be implemented by means of the retirement of 182,845,603 own shares, representing 2.706% of the Company's share capital (the "**Maximum Limit**"). As provided in the Reduction Resolution and in order to observe the Maximum Limit in any case, the maximum number of shares to be retired that have been acquired in implementation of the Buy-back Programme and pursuant to the settlement of Derivatives will be subject to an overall limitation (the "**Overall Limit**").

In this regard, if the shares acquired in implementation of the Buy-back Programme and pursuant to the settlement of Derivatives exceed the Overall Limit, the Share Capital Reduction will result in the retirement of: (i) all of the own shares acquired in implementation of the Buy-back Programme; and (ii) with regard to the own shares acquired pursuant to the settlement of Derivatives (as this term is defined below), a number equal to the difference between the Overall Limit and the shares effectively acquired in implementation of the Buy-back Programme will be retired.

In this regard, by the end of yesterday's trading session, the Company was certain that it will acquire, through the settlement at maturity of certain derivative instruments over own shares entered into by the Company before the launching of the Buy-back Programme (the "**Derivatives**"), the shares necessary to execute the Share Capital Reduction up to the Maximum Limit.

- In light of the foregoing, and considering the Maximum Limit and the Overall Limit, the Share Capital Reduction will be implemented by means of the retirement of: (i) 2,000,000 own shares, representing approximately 0.030% of the Company's share capital, acquired under the Buy-back Programme; (ii) 15,367,240 own shares, representing around 0.227% of its share capital that will be acquired by the Company through the settlement of the Derivatives; and (iii) 165,478,363 shares held by the Company as treasury shares after the closing of the trading session on 29 May 2026, representing approximately 2.449% of its share capital.

As provided in the Reduction Resolution, the shares of the Company acquired through the settlement of the Derivatives and exceeding the Overall Limit will not be retired.

This information is provided to you for the appropriate purposes.

General secretary and secretary of the Board of Directors
