Ratings: The Notes to be issued have been rated:

Moody's: A1

Moody's Investor Service España, S.A. is established in the European Union and registered under Regulation (EC) No 1060/2009 (as amended).

Fitch Ratings Ireland Limited is established in the European Union and registered under Regulation (EC) No 1060/2009 (as amended).

In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the Regulation (EC) No 1060/2009 (as amended) ("**CRA Regulation**") unless the rating is provided by a credit rating agency operating in the European Union before 7 June 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration is not refused.

In accordance with Moody's ratings definitions available on https://www.moody's.com/sites/products/productattachments/ap075378_1_1408_ki.pdf, an obligation rated “A1” is considered upper-medium grade and is subject to low credit risk. It is considered upper-medium-grade. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category.

In accordance with Fitch's ratings definitions available on <https://www.fitchratings.com/research/fund-asset-managers/rating-definitions-11-06-2020>, an obligation rated “A+” denotes expectations of low credit risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. The modifiers “+” denotes relative status within major rating categories.

A rating is not a recommendation by any rating organisation to buy, sell or hold Notes and may be subject to revision or withdrawal at any time by the assigning rating organisation.
