

CNMV's notification regarding the authorization of BME Regulatory Services, S.A. as a data reporting services provider

27 December 2017

The CNMV Board has authorised BME Regulatory Services S.A. to provide data reporting services as an approved publication arrangement (APA) and an approved reporting mechanism (ARM) as of January 3rd.

In this regard, BME RS is enabled to provide the service of publishing trade reports on behalf of investment firms pursuant MIFIR articles 20 and 21 as an APA and to provide the service of reporting details of transactions to competent authorities or ESMA on behalf of investment firms, pursuant MIFIR article 26.

The CNMV has already notify ESMA this approval according to MIFIR II article 59 in order to include BME RS in ESMA's data reporting services providers register and allow this entity to provide these services throughout the Union.
