

Madrid, 27 February 2018

In accordance with the provisions of Article 228 of Royal Legislative Decree 4/2015, of 23 October, which approves the revised text of the Securities Market Law, we duly report the following:

PRICE SENSITIVE INFORMATION

Passenger traffic growth estimate for the year 2018

The Board of Directors of Aena SME, S.A. (“AENA”), at its meeting held today, 27 February, 2018, has agreed to release AENA’s 2018 passenger traffic growth estimate for its Spanish airport network as a whole.

Passenger traffic in the Spanish network is currently expected to grow 5.5% in 2018, with a potential range of $\pm 1\%$ around the central estimate.

Important information

The statements included in this information are forward-looking and involve risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such forward-looking statements.

The forward-looking statements in this information are based upon information known to AENA on this date. AENA undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise. It is not reasonably possible to itemise all of the many factors and specific events that could cause the forward-looking statements to be incorrect or that could otherwise have a material adverse effect on the future operations or results.

Secretary of the Board of Directors

Juan Carlos Alfonso Rubio
