To whom it may concern:

In response to your recent enquiry we advise that we have investigated our holdings in Azkoyen SA and confirm that:

- In 2001 the reporting and monitoring of shareholder disclosures for all FIL group and FMR group companies, was undertaken by FMR LLC, based in Boston, USA with FIL not assuming responsibility for filings until 2004.
- FMR LLC are unable to supply copies of filings made in 2001 due to the time which has elapsed.

We advise therefore that we are unable to provide any further details of any submissions made at that time but we are committed to ensuring that the records are corrected to reflect the current status.

To this end we are able to provide confirmation that we traded fully out of our position in 2001 and FIL Limited (formerly Fidelity International Limited) is no longer a shareholder in Azkoyen SA and has not been a shareholder in Azkoyen SA since 2001.
