

TO THE SPANISH SECURITIES MARKET COMISSION

DISCLOSURE OF A RELEVANT EVENT

Following article 17 of Regulation (EU) 596/2014 on Market Abuse, article 228 of the Royal Legislative Decree Law 4/2015, dated October 23, on the Securities Market and applicable legislation, and pursuant to the disclosure of a relevant event dated January 29, 2019 (registration number 274182), CIE Automotive, S.A. (hereinafter, the “**CIE Automotive**” or the “**Company**”) informs that the relevant conditions precedent have been fulfilled, the sale of its biofuel production plants to GUNVOR GROUP has been completed.

The objects of the transaction include the production plant located in Berantevilla (Álava) – Bionor – and the plant located in Palos de la Frontera (Huelva) – Biosur.

The price paid by GUNVOR GROUP amounts to 13.6 million euros, as well as an additional amount of approximately 5 million euros related to positive adjustments linked to the cash and working capital position.

With this transaction CIE group transfers the entirety of its biofuel production plants and ceases this activity.
