Warning concerning company MRC markets

24 Nov. 2011 - MRC Markets: www.mrcmarkets.com

This company is falsely claiming to be regulated by ESMA. ESMA does not issue licenses for brokers, nor for other types of investment firms. Such licenses are issued on a national level.

Before investing, investors should check with the competent authority in the country from where the company is operating, whether or not the company is licensed. A list with contact information is available via the following [link](#).
