## WARNING

The Commission de Surveillance du Secteur Financier (CSSF) warns the public of the activities of an entity claiming to be called Algebra Investments S.A. and purporting on its website [www.algebrainvest.com](http://www.algebrainvest.com) to be a company providing management and investment services. This entity has not been granted any authorisation to provide investment, management or any other financial services in or from Luxembourg.

The CSSF would like to specify that the website mentions fraudulently and deceptively the name, address and registration number of the Registre de Commerce (trade register) of a Luxembourg company formerly known as Algebra Investments S.A. which has no relation with the website referred to in this warning.
