This provider is not authorised to conduct banking services requiring a licence in Austria. The provider is therefore neither permitted to accept funds from other parties as deposits (Article 1 para. 1 no. 1 second case of the Austrian Banking Act (BWG; Bankwesengesetz)), nor to conclude money-lending agreements on a commercial basis and to extend monetary loans (Article 1 para. 1 no. 3 BWG).

The basis for this publication is Article 4 para. 7 BWG.

Anyone providing banking services, and financial and securities services in Austria, requires the necessary authorisation or licence to do so from the Austrian Financial Market Authority (FMA). Some undertakings offer such services without holding the necessary authorisation. Information about whether a specific undertaking has been authorised by the FMA may be found in the FMA Company Database.
