

**GAMESA CORPORACION TECNOLOGICA, S.A.- SIGNIFICANT EVENT**

**As per set in Section 82 of the Act 24/1988, of the Stock Exchange, GAMESA announces the following statement:**

Gamesa Corporación Tecnológica S.A. (Gamesa, hereinafter), through its Chinese subsidiary Gamesa Wind Tianjin Co, Ltd., has signed two new agreements for a total power of one hundred and twelve (112) megawatts (MW). One of the agreements has been signed with CGN Wind Energy, a subsidiary of China's General Nuclear Power Group, for the supply of sixty four (64) megawatts (MW), and the second agreement has been signed with Everbright, a subsidiary of Chinese renewable energy specialist Everbright Group, for the supply of forty eight (48) megawatts (MW).

The agreement with CGN Wind Energy includes the supply, transport, installation and commissioning of thirty two (32) G97-2.0 MW wind turbines at the Yangchajie wind complex located in the province of Yunnan, in southeast China. The turbines are slated for delivery in January 2015, while the facility is expected to be commissioned in March of the same year.

Elsewhere, the agreement with Everbright includes the supply, transport, installation and commissioning of twenty four (24) G97-2.0 MW wind turbines at the Zhaojiashan wind farm in the province of Shanxi, in western Peking (China). These turbines are to be delivered in March 2015 and the project is expected to be fully commissioned by May of the same year.
