This brings the total number of websites blocked by Consob since July 2019 – when the Authority was granted the power to order the blocking of *websites* belonging to unauthorised financial intermediaries – to **1,757**. Of these, **217** relate to crypto-related activities.

The Authority has exercised the powers deriving from the "[Growth Decree](#)" to block the *websites* of unauthorised financial intermediaries, as well as the powers provided for under the MiCAR framework ([EU Regulation](#) and [Legislative Decree No. 129/2024](#)) regarding the blocking of websites through which crypto-asset services are provided to Italian investors without authorisation.

The measures adopted by Consob can be viewed on the website www.consob.it. *Internet* service providers operating in Italy are currently taking steps to block access to the websites. For technical reasons, it may take a few days for the block to take effect.

It is important that savers exercise the utmost diligence in making fully informed investment decisions, adopting common-sense practices that are essential for safeguarding their savings: these include checking in advance, for websites offering investment services and crypto-assets, that the operator through which the investment is made is authorised and, for offers of financial products and crypto-assets, that the prospectus or *white paper* has been published.

Consob also draws attention to the evolving nature of deceptive practices that exploit *the internet* to steal users' money and personal data: there has been an increase in the use of new tools, such as *emails* and 'cloned' *websites*, fake profiles of politicians and celebrities, and content generated by artificial intelligence systems – such as images, voices or videos – with the aim of persuading investors to make harmful investment decisions.

To this end, Consob urges investors to consult the dedicated [information sheet](#) containing advice on how to protect themselves against financial fraud in the age of artificial intelligence, and reminds them that its *website* features the '[Watch out for scams!](#)' section, where useful information is available to warn investors against fraudulent financial schemes.

Consob has ordered the following subjects to cease violating Article 18 of Legislative Decree No. 58 of 24 February 1998, pursuant to Article 7-octies, letter b) of the same legislative decree:

- Settecmanagement via the website <https://settecmanagement.cm> ([Resolution No. 24054 of June 24, 2026](#));
- Mercerlimitltd via the website <https://client.mercerlimitltd.com> ([Resolution No. 24055 of June 24, 2026](#));

- "Tibi Pro Secure Investments" via the website <https://tibipro.com> and the page <https://area.tibiproedge.com> ([Resolution No. 24051 of June 24, 2026](#));

Order, pursuant to Article 34(1)(1) of Regulation (EU) 2023/1114 (MiCAR) and Article 4(1) of Legislative Decree No. 129/2024, to put an end to the violation of Article 59 of MiCAR committed by the following websites: "Rer885" <https://rer885.it>; "Trut88" <https://trut88.it>; "Reg775" <https://reg775.it>; "Sdtg99" <https://sdtg99.it>; "Xzd316" <https://xzd316.it>; "Rd996" <https://rsd996.it>; "Fhf326" <https://fhf326.it>; "Tyt827" <https://tyt827.it>; "Ewtd55" <https://ewtd55.it>; "Dxge85" <https://dxge85.it>; "3vk105" <https://3vk1o5.it>; "Sds323" <https://sds323.it>; "Ksdf12" <https://ksdf12.it> ([Resolution No. 24056 of June 24, 2026](#)).
