The Gibraltar Financial Services Commission (“GFSC”) has today issued a warning to the public regarding Crown Assets Gibraltar.

Following receipt of an enquiry, the GFSC reviewed statements on a website maintained by this entity, on which it has listed “Asset Management” among other non-financial services activities. Crown Assets Gibraltar is not regulated, registered or otherwise authorised by the GFSC, nor is an applicant awaiting authorisation.

Further checks conducted at the register of companies confirm that it is not a Gibraltar company, nor a name registered under the Business Names Registration Act.

The website’s Contact page indicates that this entity is based in Gibraltar, but the address provided is incomplete and potentially misleading.

The GFSC therefore urges the public to exercise appropriate caution in respect of this entity, whilst it continues its investigations.

People are able to verify whether a firm is licensed by the GFSC in Gibraltar, by checking our [Regulated Entities section](#).

Any persons who are already involved in any dealings with the above entity and have concerns, should contact our Enforcement division on +350 200 40283 or via [e-mail](#).
