## **Equity Research Ventures PTE. LTD. ("AlleAktien"): Bafin prohibited the public offering of the capital investment under the name of "Co-Investment AlleAktien Wealth x SpaceX".**

By letter of 1 June 2026, the Federal Financial Supervisory Authority (Bafin) prohibited Equity Research Ventures PTE. LTD., which claims to be based in Singapore, from offering to the public the capital investment under the name of "Co-Investment AlleAktien Wealth x SpaceX". Bafin imposed the prohibition because the company had infringed the German Capital Investment Act (VermAnlG). Equity Research Ventures PTE. LTD. is therefore not authorised to offer capital investments under the name of "Co-Investment AlleAktien Wealth x SpaceX" to the public in Germany.

This measure has not yet become final but is immediately enforceable.

The prohibition was imposed because Equity Research Ventures PTE. LTD. has not published a prospectus approved by BaFin for the public offer of such capital investments that contains the information required under the German Capital Investment Act.

Background:

In Germany, capital investments may be offered to the public only if a prospectus has been published. This prospectus must be approved by Bafin prior to publication. During the approval process, Bafin checks whether the minimum information required by law is included in the prospectus and whether its content is understandable, coherent and consistent. However, Bafin does not check whether the information contained in the prospectus is correct. Moreover, it does not check whether the issuer is reliable nor does it examine the product in question. Issuers of capital investments must ensure that this is clearly indicated in their prospectuses. The issuers are liable for the accuracy of the information contained in the prospectus.

You can check whether an approved prospectus for offers of capital investments to the public has been filed with Bafin by consulting the database Prospectuses filed on the Bafin website.

## **Please note:**
