# Fitch Takes Rating Actions on 18 Spanish SME CLOs Ratings Endorsement Policy 16 Oct 2012 12:17 PM (EDT)

Link to Fitch Ratings' Report: Fitch Takes Various Actions on 18 Spanish SME CLOs

Fitch Ratings-London-16 October 2012: Fitch Ratings has maintained 15 classes of nine Spanish SME CLO transactions on Rating Watch Negative (RWN). In addition, the agency has affirmed 11 classes of six transactions and removed them from RWN. A full list of rating actions is available at www.fitchratings.com or by clicking on the link above.

The maintained RWN reflects the continued commitment of the management companies of the transactions to implement remedial action following the downgrade of the transaction counterparties. The agency will continue to monitor the progress of the implementation process and will take rating actions accordingly.

The removal from RWN and affirmations result from the full implementation of remedial actions taken by respective counterparties following their downgrades. The account bank providers for these transactions have been transferred to Barlays Bank plc ('A'/Stable/'F1') or benefit from a guarantee of Societe Generale ('A+'/Negative/'F1+').

Fitch has assigned a Negative Outlook to classes with ratings that are driven by the 'AA-sf' rating cap on Spanish structured finance transactions due to the Negative Outlook on Spain ('BBB'/Negative/'F2'). The Outlook on classes that have low reserve fund levels and rising delinquency levels is also Negative. The Outlook on classes that have performed in line with the agency's expectation since the last review is Stable.
