

MiFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Instruments has led to the conclusion that: (i) the target market for the Instruments is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU, as amended (“**MiFID II**”); and (ii) all channels for distribution of the Instruments to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Instruments (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Instruments (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

EU PRIIPs Regulation / PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Instruments are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (as amended, the “**Prospectus Regulation**”). Consequently, no key information document required by Regulation (EU) No 1286/2014 (the “**EU PRIIPs Regulation**”) for offering or selling the Instruments or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Instruments or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

UK MiFIR product governance / Professional investors and ECPs only target market – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Instruments has led to the conclusion that: (i) the target market for the Instruments is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook, and professional clients, as defined in Regulation (EU) No. 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”); and (ii) all channels for distribution of the Instruments to eligible counterparties and professional clients are appropriate.. Any person subsequently offering, selling or recommending the Instruments (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Instruments (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

UK PRIIPs Regulation / PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Instruments are not intended to be offered, sold, distributed or otherwise made available to and should not be offered, sold, distributed or otherwise made available to any retail investor in the United Kingdom (“**UK**”). For these purposes, a retail investor means a person who is either one (or both) of the following (i) not a professional client, as defined in point (8) of article 2(1) of Regulation (EU) No 600/2014 as it forms part of the domestic law of the UK by virtue of the EUWA; or (ii) not a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024. Consequently, no disclosure document required by the FCA Product Disclosure Sourcebook (“**DISC**”), for offering, selling or distributing the Instruments or otherwise making them available to retail investors in the UK has been prepared and therefore offering, selling or distributing the Instruments or otherwise making them available to any retail investor in the UK may be unlawful under the DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024.

PART B — OTHER INFORMATION

1. LISTING AND ADMISSION TO TRADING

Application has been made by the Issuer (or on its behalf) for the Instruments to be listed on the Spanish AIAF Fixed Income Market (*AIAF Mercado de Renta Fija*) (“**AIAF**”)

Estimate of total expenses related to admissions to trading: EUR 1,000

2. RATINGS

The Instruments to be issued have been rated:

S&P: A-

Moody's: Baa1

Fitch: A

In accordance with S&P's ratings definitions available on <https://www.spglobal.com/ratings/en/research/articles/190705-s-p-global-ratings-definitions-504352>, an obligation rated “A” is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitments on the obligation is still strong. The minus (-) sign shows relative standing within the rating category.

In accordance with Moody's ratings definitions available on <https://ratings.moodys.com/rmc-documents/53954>, obligations rated Baa are judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category.

In accordance with Fitch's ratings definitions available on <https://www.fitchratings.com/research/fund-asset-managers/rating-definitions-24-04-2023>, an obligation rated “A” denotes expectations of low credit risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings.

These credit ratings have been issued by S&P Global Ratings Limited, Moody's Investor Services España, S.A. and Fitch Ratings Ireland Limited.

Each of S&P Global Ratings Limited, Moody's Investor Services España, S.A. and Fitch Ratings Ireland Limited is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended) (the “**CRA Regulation**”). As such each of S&P Global Ratings Limited, Moody's Investor Services España, S.A. and Fitch Ratings Ireland Limited is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website in accordance with the CRA Regulation.

A list of rating agencies registered under the CRA Regulation can be found at <https://www.esma.europa.eu/credit-rating-agencies/cra-authorisation>.
