

ANCV: CONVENOR OF THE *ANNA WORKING GROUP 2*

Monday, 16 May 2011

The Spanish National Numbering Agency (ANCV: Agencia Nacional de Codificación de Valores) has assumed the role of Convenor in WG2: ISIN Quality and Guidelines. The WG2 is a working group of the *Association of National Numbering Agencies (ANNA)* composed of representatives from various national agencies and is focused on topics related to the guidance on ISIN allocation.

The appointment was confirmed at the last Extraordinary General Meeting held by ANNA and reinforces the presence of the ANCV as an active member in the different international organisms for securities standardization in which is involved.
