Significant event

Enagás has reached an agreement to increase its stake in GNL Quintero Regasification Plant in Chile

Enagás, through its subsidiary Enagás Chile, has reached an agreement to acquire the total of the shareholding that the company Endesa Chile has in GNL Quintero, S.A (20%) for a total amount of 200 million dollars. The purchase is subject to the possible exercise of the right of first refusal by other shareholders.

Enagás Chile, which is currently the largest shareholder in GNL Quintero through its participation in Terminal de Valparaíso, increases with this transaction its total stake in the plant to 40.4%.

As a result of this acquisition, the shareholders of GNL Quintero would be composed as follows: ENAP 20%, Metrogas 20%, Terminal de Valparaíso (51% Enagás Chile and 49% Oman Oil Company) 40% and Enagás Chile 20%.
