Objet : Notification of BPCE's participation in Siemens Gamesa Renewable Energy dated September 16, 2022

Dear Sir or Madam,

Further to your email dated September 26th (see Appendix for reference), please proceed to the annulment of notification 2022116767 which is a copy of the other notification of BPCE's participation in Siemens Gamesa Renewable Energy SA that you received on your side about the same day.

We sent the exact same notification twice to make sure that we would reach the deadline, since we did not access to the CNWM Virtual Office at the time (we are currently preparing an application to the CNWM Virtual office).

- The 1st copy was sent by letter via the French postal service company with the objective to respect the mandatory deadline of such a disclosure.
- The 2nd one was sent by special registered letter "Chronopost" in order to obtain an acknowledgement of receipt.

Yours sincerely,
