To the National Securities Market Commission

Subject: Share buy-back programme of Iberdrola, S.A.

Dear Sirs,

Pursuant to article 227 of the restated text of the Securities Market Law approved by the Royal Legislative Decree 4/2015, of 23 October (*texto refundido de la Ley del Mercado de Valores aprobado por el Real Decreto Legislativo 4/2015, de 23 de octubre*), article 2 of Commission Delegated Regulation (EU) 2016/1052, of 8 March 2016, supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council with regard to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures (the "**Delegated Regulation 2016/1052**") and related provisions, we hereby inform you that, on the date hereof, the Board of Directors of Iberdrola, S.A. ("**Iberdrola**" or the "**Company**") has resolved to implement a buy-back programme of the Company's own shares (the "**Buy-back Programme**") in accordance with the authorisation granted by the General Shareholders' Meeting held on 13 April 2018, under item twelve of the agenda.

The Buy-back Programme is carried out pursuant to the Regulation (EU) No 596/2014 of the European Parliament and of the Council, of 16 April 2014, on market abuse and the Delegated Regulation 2016/1052, with the objective of reducing the share capital of the Company, subject to the prior approval of the referred General Shareholders' Meeting, under such terms as are approved by it.

The Buy-back Programme of the Company's own shares will reach up to 135,029,610 shares, representing approximately 2.07 % of the share capital of Iberdrola as of the date hereof and the maximum pecuniary amount allocated to the programme will be euro 1,147,751,685.00. The Buy-back Programme will be executed under the following terms:

- (a) The shares will be purchased at market price, subject to the price and volume conditions set forth in article 3 of the Delegated Regulation 2016/1052. In particular, as regards the price, the Company will not buy shares at a price higher than the higher of: (i) the price of the last independent trade; and (ii) the highest current independent purchase bid on the trading venue where the purchase is carried out. In so far as volume is concerned, Iberdrola will not buy more than 25 % of the average daily volume of the shares on the trading venue in which the purchase is carried out.
- (b) The Buy-back Programme will commence on 20 February 2019 and will remain in force until 14 June 2019.

Notwithstanding the above, Iberdrola reserves the right to early terminate the Buy-back Programme if, prior to the last effective date (i.e., 14 June 2019), the Company has acquired the maximum number of shares authorised by the Board of Directors, the maximum pecuniary amount allocated to the programme has been reached or when circumstances render it appropriate.

- (c) The interruption, termination or amendment of the Buy-back Programme as well as the transactions performed pursuant to it will be duly communicated to the National Securities Market Commission through the corresponding notice of significant event, within the time periods provided by the Delegated Regulation 2016/1052.

Finally, in connection with the reduction in share capital that will be submitted to the shareholders at the General Shareholders' Meeting to be held on 29 or 30 March 2019, on first and second call, respectively, we hereby inform you that, in addition to the own shares purchased by virtue the Buy-back Programme, part of said share capital reduction, if approved, could also imply the retirement of all or a portion of the own shares acquired pursuant to the settlement at maturity, no later than 14 June 2019, of certain derivate instruments entered into by the Company before the date hereof. Pursuant to the settlement of said derivate instruments, Iberdrola could acquire a maximum of 32,875,852 own shares.

This information is provided to you for the appropriate purposes.

Yours faithfully,

Secretary of the Board of Directors
