The provider is not authorised to provide banking services requiring a licence in Austria and is therefore not permitted to offer the acceptance of funds from other parties as deposits (deposit-taking business) pursuant to Article 1 para. 1 no. 1 of the Austrian Banking Act (BWG; Bankwesengesetz). The basis for this publication is Article 4 para. 7 BWG.

Anyone providing banking services, and financial and securities services in Austria, requires the necessary authorisation or licence to do so from the Austrian Financial Market Authority (FMA). Some undertakings offer such services without holding the necessary authorisation. Information about whether a specific undertaking has been authorised/licensed by the FMA, can be found in the FMA Company Database.
