

**BANKING AND FINANCE COMMISSION**  
**PRESS RELEASE**

The Banking and Finance Commission warns the public against the activities of Rheinisch Westfälische Grundbesitz AG ("RWG"), a company governed by German law whose head office is situated at Füllenbachstrasse 8, 40474 Düsseldorf.

According to information available to the Commission, this company may be offering to sell its securities to the Belgian public. The Commission has not approved any prospectus for that issue of securities.

The Commission wishes to emphasize that for any public issue of securities in Belgium the issuer must draw up a prospectus and have it approved by the Commission. Such prospectus must include all the information which is necessary for the public to be able to make an informed assessment of the transaction proposed.

Additional information about the regularity of any transaction proposed can be found on the **Investors' Page** on the web-site of the Commission ([www.cbf.be](http://www.cbf.be)), or through direct contact with the "Perimeter Supervision" team (telephone: 02/535.59.10; e-mail address: [peri@cbf.be](mailto:peri@cbf.be)).
