

LINK FROM AN ISIN CODE CONSULTATION TO ITS PROSPECTUS

Tuesday, 24 April 2012

Since April, 18th when querying an ISIN code through the *ISIN code search* website section of the Spanish National Numbering Agency you can access the information available on its prospectus in the corresponding area *Registration files* of the CNMV website.

This access is only for the queries of those ISIN codes where prospectus information is available on the CNMV website.
