

Good morning,

The Netherlands Authority for the Financial Markets (AFM) warns consumers not to respond to offers from Lions FM trading under the name EQUAL TARGET LTD. This company is a suspected boiler room. Lions FM trading under the name EQUAL TARGET LTD has approached persons without being asked, to offer them investment proposals. A boiler room is a collective term for fraudulent individuals and organizations using clever salespeople to call potential investors to pressure them into buying shares that promise high returns (cold calling). In reality the shares are either worthless or non-existent. The AFM has established that Lions FM trading under the name EQUAL TARGET LTD does not have an AFM license or a European Passport.
