Pursuant to the provisions of article 17 of Regulation (EU) no. 596/2014 on market abuse and article 228 of the revised text of the Securities Market Act, approved by Royal Legislative Decree 4/2015, of 23 October, and concordant provisions, the following information is made available to the market regarding GREENERGY RENOVBABLES, S.A. (hereinafter, "**GREENERGY**"):

GREENERGY signs a new PPA for 390 GWh per year in Chile

Greenergy has signed a new long-term green energy sales agreement (PPA) with an investment-grade global energy company in Chile with rating investment grade by the three leading credit rating agencies.

The agreement covers the sale of 390 GWh per year of solar energy through a daytime PPA that will start in October 2026. This energy will be generated by the platform that Greenergy is developing in central Chile. Of the total committed, 110 GWh per year will be supplied over a period of 15 years, while the remaining 280 GWh will be delivered over a period of 12 years.
