OTHER RELEVANT INFORMATION

Técnicas Reunidas awarded two major *upstream* projects in the Middle East.

In Madrid, on June 15th, 2026.- Técnicas Reunidas has been officially awarded two major projects for the engineering, procurement and construction of *upstream* facilities to handle oilfield production in the Middle East. The client is a national oil company and, due to confidentiality requirements, no further details about the projects can be disclosed at this stage.

These awards represent an important milestone for Técnicas Reunidas and reinforce its strong commercial position in a strategically relevant market. They also support the -term awards expectations for 2026, in line with the guidance presented in its Q1 2026 results, which pointed to a range of USD 4 billion in its lower level of potential near-term awards from the Middle East.

Hereby notified for the appropriate purposes in Madrid, on June 15th, 2026.
