

Promotora de Informaciones, S.A. ("**PRISA**" or the "**Company**"), in accordance with Article 227 of the Law 6/2023, of 17 March, of the Securities Markets and Investment Services (*Ley de los Mercados de Valores y de los Servicios de Inversión*), hereby discloses the following

OTHER RELEVANT INFORMATION

PRISA informs that, in accordance with the provisions of annex I of the securities note (*nota de valores*) registered in the official registries of the Spanish Securities and Exchange Commission (*Comisión Nacional del Mercado de Valores*) (the "**CNMV**") on January 10, 2023 (official registry no. 11259) (the "**2023 Securities Note**") relating to the public subscription offer of the subordinated notes necessarily convertible into ordinary shares of the Company with ISIN code ES0371743016 (the "**2023 Convertible Notes**") issued by PRISA in February 2023 for a total nominal amount of EUR 129,999,500 (the "**Issuance of Convertible Notes Due 2028**"), the occurrence of an adjustment event to the established fixed conversion price (EUR 0.36) of the 2023 Convertible Notes (the "**Adjustment Event**").

The Adjustment Event is the consolidation (*reverse stock split*) and cancellation of the shares into which PRISA's share capital is divided, in exchange for newly issued shares at a ratio of one (1) new share for every 10 pre-existing shares, with the par value per share being increased from EUR 0.10 to EUR 1, without any change to the amount of share capital and with the consequent reduction in the number of shares outstanding representing such share capital (the "**Reverse Split**"). The execution of the Reverse Split was announced to the market through the publication of the corresponding "other relevant information" on 29 June, 2026 (official registry number 41615).

As indicated by Issuer Solutions, S.L., in its capacity as calculation agent for the Issuance of Convertible Notes Due 2028 (the "**Calculation Agent**"), the fixed conversion price of the 2023 Convertible Notes adjusted by the Adjustment Event is EUR 3.6 per each new share, being the effective date of the aforementioned adjustment today, the effective date for trading purposes of the Reverse Split.

The 2023 Securities Notes is available on the website of the CNMV (www.cnmv.es) and on the Company's website (www.prisa.com/es/info/prospectus).
