**23 December 2025** – Following the announcement made on 1 April, Fluidra, a global leader in pool and wellness equipment and connected solutions, is pleased to announce the successful completion of its strategic partnership and initial 27% investment in Aiper, a leading player in cordless robotic pool cleaning technology. The approximately \$100 million investment was executed through the issuance of new shares in Aiper.

This milestone cements the strategic partnership between the two companies, a collaboration designed to transform the robotic pool-cleaning market. In a second phase, Fluidra plans to increase its interest in Aiper to a majority stake through an investment in cash or in kind. This investment is planned to take place when Aiper reaches certain financial targets.

"We are truly excited about this strategic partnership and initial meaningful

minority stake in Aiper with a path to being a majority shareholder. The company's breakthrough innovation, consumer-focused approach and talented team are exactly what we look for in a partner as we shape the future of smart pool cleaning." said Jaime Ramírez, Fluidra's CEO.

"Joining forces with Fluidra is an incredible opportunity to take our innovation and growth to the next level. With Fluidra's global reach and capabilities, we are confident in our ability to deliver smarter and more efficient pool cleaning solutions. I'm incredibly excited for what lies ahead.", said Richard Wang, Aiper's Founder and CEO.
