

In accordance with article 227 of Law /2023, of 17 March, on the Spanish Securities Market and Investment Services, and other applicable regulations, **Opdenenergy Holding S.A.** (hereinafter, the "**Company**") makes public the following

OTHER RELEVANT INFORMATION NOTICE

Opdenenergy signs a long-term power purchase agreement (PPAs) with an Investment Grade International Utility, for a total of 1.68 TWh over a 12-year period, representing approximately 140 GWh/year. The energy will come from the Alcones project, a solar photovoltaic plant with an installed capacity of 108 MW located in the commune of Marchigüe, in the O'Higgins region of Chile.

The described project is expected to be operational during 2025.

Madrid, October the 30th 2023

Opdenenergy Holding, S.A.
