Consequently, with effect as of today (ex-dividend date of the aforementioned distributions), the Offer price is reduced by 3.15 euros per share, being set at 21.335 euros per share, payable in cash.

Likewise, it is hereby stated that, as indicated in the preliminary announcement of the Offer, if Aedas makes any other distribution of dividends, reserves or issue premium, or any other distribution to its shareholders prior to the settlement of the Offer, the Offer price will also be reduced by the corresponding gross amount, provided that the date of publication of the results of the Offer in the listing bulletins coincides with or is subsequent to the ex-dividend date of said distributions.
