**OTHER RELEVANT INFORMATION**

**VIDRALA, S.A.**

**Buy-back programmes, stabilisation and treasury stock**

Pursuant to article 228 of the Spanish Stock Market Act (Ley del Mercado de Valores), article 5 of Regulation (EU) no. 596/2014 on Market Abuse, Delegated Regulation (EU) 2016/1052 supplementing Regulation on market abuse with regard to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures, and other applicable regulations, and pursuant to the other relevant information disclosed on December 20, 2019 (CNMV registration number 285065) and on December 18, 2020 (CNMV registration number 6280), VIDRALA, S.A. hereby reports that the Board of Directors has agreed to extend the duration of the share buy-back programme for an additional twelve (12) months duration since the date hereof.

The relevant features of the share buy-back programme hereby extended are the following:

**Purpose.** The purpose of the programme is to reduce the share capital of VIDRALA by the redemption of own shares, with the aim of contributing to the shareholders' remuneration policy through the increase in earnings per share.

**Maximum size.** The Company plans to buy shares in the market until it accumulates 1% of the share capital. Consequently, up to a maximum of 270,000 shares will be acquired, for a maximum cash amount of EUR 27 million. On the date hereof, the number of shares acquired under the programme is 101,148.

**Duration.** The program will have a maximum duration of twelve (12) months, from the publication of this disclosure. However, the Company reserves the right to terminate buy-back programme if, thereunder and prior to its validity end date, it has acquired shares for an acquisition price that reaches the maximum cash amount or the maximum number of shares authorised by the Board of Directors, or there is any other circumstance that would advise to do so.

**Trading conditions.** The shares will be purchased pursuant to the conditions of price and volume established in article 3 of Delegated Regulation (EU) 2016/1052. In particular, with respect to the price, VIDRALA shall not purchase shares at a price higher than (i) the higher of the price of the last independent trade; or (ii) the highest current independent purchase bid on the trading venue where the purchase is carried out, when shares are traded in different trading venues. In so far as volume is concerned, the Company shall not purchase more than 25% of the average daily volume –traded in the twenty (20) trading days preceding the date of every purchase– of VIDRALA shares traded on the trading venue on which the purchase is carried out.

The buy-back programme is led by Norbolsa S.V., S.A.

Any potential changes, interruptions or termination of the buy-back programme, as well as the share purchase transactions completed by virtue thereof, will be disclosed to the Spanish Securities Market Commission (CNMV) pursuant to that set forth in Regulation (EU) N° 596/2014 and Delegated Regulation (EU) 2016/1052. These transactions shall also be published on the Company's website as set forth in said regulations.
