## **ArcelorMittal publishes convening notice for its Annual General Meeting and Extraordinary General Meeting of shareholders**

ArcelorMittal ('the Company') announces the publication of the convening notice for its Annual General Meeting and Extraordinary General Meeting of shareholders ('General Meetings'), which will be held on Tuesday 8 2021 at 13.30 CET.

In view of the COVID-19 outbreak, and related limitations on travel and gatherings, ArcelorMittal is taking precautionary measures to limit exposure for its employees, shareholders and other stakeholders. The Company's Board of Directors has therefore decided to hold this year's General Meetings without a physical presence, as permitted under Luxembourg law. Arrangements have therefore been made to provide shareholders with the opportunity to vote electronically and by proxy voting.

The ArcelorMittal shareholders entitled to vote at the General Meetings will be those who are shareholders on the record date of 25 May 2021 at midnight (24:00 hours) (CET) (the 'Record Date').

The convening notice, the Annual Report 2020, the Form 20F 2020, the voting forms and all other meeting documentation will be available on ArcelorMittal's website [www.arcelormittal.com](http://www.arcelormittal.com) under Investors – Equity investors – Shareholders events – AGM – General Meetings of shareholders, 8 June 2021. Shareholders may obtain, free of charge, a copy of the Annual Report 2020 (in English), by emailing [privateinvestors@arcelormittal.com](mailto:privateinvestors@arcelormittal.com)

### **About ArcelorMittal**

*ArcelorMittal is the world's leading steel and mining company, with a presence in 60 countries and primary steelmaking facilities in 18 countries. In 2020, ArcelorMittal had revenues of \$53.3 billion and crude steel production of 71.5 million metric tonnes, while iron ore production reached 58.0 million metric tonnes. Our goal is to help build a better world with smarter steels. Steels made using innovative processes which use less energy, emit significantly less carbon and reduce costs. Steels that are cleaner, stronger and reusable. Steels for electric vehicles and renewable energy infrastructure that will support societies as they transform through this century. With steel at our core, our inventive people and an entrepreneurial culture at heart, we will support the world in making that change. This is what we believe it takes to be the steel company of the future. ArcelorMittal is listed on the stock exchanges of New York (MT), Amsterdam (MT), Paris (MT), Luxembourg (MT) and on the Spanish stock exchanges of Barcelona, Bilbao, Madrid and Valencia (MTS).
