

Pursuant to the provisions of article 226 of the Law 6/2023, of March 17, on Securities Markets and Investment Services, Grifols S.A. ("**Grifols**" or the "**Company**") hereby informs about the following

OTHER RELEVANT INFORMATION

Grifols is aware of the recent false information and speculations published by Gotham City Research regarding the company's accounting and financial disclosure information. As a company committed to transparency, integrity, and ethical conduct, we categorically deny and reject any allegations of wrongful accounting or reporting practices of our consolidated financial statements.

Grifols, as a publicly traded company, reports and fully discloses all the relevant information regarding all its significant transaction with the highest level of integrity and transparency to reflect accurate and a fair view of Grifols' consolidated financial statement. The related party transactions and disclosures reported by Gotham City Research have been fully disclosed and audited since 2018 and reported to the Spanish regulator.

Grifols' consolidated financial statements and internal controls over financial information are robust and subject to regular and rigorous annual audits. These annual audits are conducted by one of the big-four audit firms, which has consistently released unqualified audit reports.

As leading global healthcare company, we have an unwavering commitment to maintaining the highest level of business and financial integrity. Corporate governance is and remains our top priority. We have always and will always uphold stringent standards and in our accounting reporting and are fully committed to transparent and ethical conduct in all our business practices.

In Barcelona, on 9 January 2024

Nuria Martín Barnés
Secretary to the Board of Directors
