RESOLUTION

To render null and void the unused portion of the resolution approved under item nine of the Agenda of the Ordinary General Meeting of Shareholders held on 12 May 2022, relating to the authorisation of the Board of Directors to acquire the Company's own shares, either directly or through group companies, and to dispose of them.

- (i). Methods of acquisition: Shares may be acquired by way of purchase (including, without limitation, through any public tender offer in accordance with Royal Decree 1066/2007 or any regulation replacing it), exchange, donation, award in satisfaction of claims, or in general by any other method permitted by law, on one or more occasions, including out of profits for the year and/or freely distributable reserves.

The purpose of such buy-back programs may be: (i) a subsequent reduction in the Company's share capital through the cancellation of the shares acquired, subject to the prior approval of the General Meeting of Shareholders; or (ii) any other purpose provided for in the applicable regulations. Furthermore, this authorization may be used for the acquisition of own shares for any other purpose or through other procedures that the Board of Directors may determine from time to time, and it may also agree on the method, form and procedure through which transactions involving own shares are to be carried out.
