

## FUNDACIÓN ONCE AND THE CNMV SIGN AN AGREEMENT AIMED AT PROMOTING SOCIAL AND WORK-RELATED INTEGRATION FOR PEOPLE WITH DISABILITIES

11 July 2025

- The initiative includes measures to ensure accessibility for people with disabilities in public sector recruitment processes, along with awareness-raising actions.
- The agreement reinforces the commitment to building a more equitable, representative organisation dedicated to equality.

The Executive Vice-Chair of Fundación ONCE, **Alberto Durán**, and the Chairman of the Spanish National Securities Market Commission (CNMV), **Carlos San Basilio**, signed a collaboration agreement on Friday aimed at promoting social and work-related integration for people with disabilities.

Through this agreement, **the CNMV** commits to implementing measures that ensure accessibility for people with disabilities in its public recruitment processes, as well as to promoting internal awareness and training initiatives on integration.

For its part, **Fundación ONCE** will contribute its expertise in improving the quality of life of people with disabilities and in developing universal accessibility programmes and inclusive design measures.

Fundación ONCE and the CNMV consider that this agreement reinforces their social responsibility and contributes to consolidating more inclusive work environments through policies that promote equal opportunities.

The signing of this agreement adds to a series of CNMV initiatives with leading third sector organisations, reflecting its commitment to strengthening its role as a public institution dedicated to the principles of equity, integration and social cohesion.
