

NOTICE OF INSIDE INFORMATION

GREENERGY RENOVABLES, S.A.

10th March 2023

Pursuant to the provisions of article 17 of Regulation (EU) no. 596/2014 on market abuse and article 228 of the revised text of the Securities Market Act, approved by Royal Legislative Decree 4/2015, of 23 October, and concordant provisions, the following information relating to GREENERGY RENOVABLES, S.A. is made available to the market. (hereinafter, "GREENERGY"):

GREENERGY signs a PPA in Spain with LyondellBasell for 259 MWp.

GREENERGY has signed a long-term power purchase agreement (PPA) with LyondellBasell, which operates in the Spanish market and is rated BBB+ by Fitch Ratings. A 15-year agreement was announced for the sale of approximately 330 GWh/year, starting at the end of 2025.

This agreement has been signed for a project that is part of the Clara Campoamor PV solar energy project, that the company is developing between Madrid and Castilla La Mancha region, and that will have an installed capacity of 575 MWp, becoming one of the largest photovoltaic parks in Europe. Specifically, the energy will come from La Cereal, one of the parts this plant has been divided.

In 2025, the plant is expected to generate enough energy to supply 94,600 homes while saving approximately 85,470 tonnes of CO₂.
