Whether the Offeror will accept for purchase any of the Securities validly tendered pursuant to the Offer is subject (unless such condition is waived by the Offeror in its sole and absolute discretion), without limitation, to the successful settlement of the issue of the New Securities by the Issuer (the “**New Financing Condition**”).

The Offeror proposes to accept for purchase Securities pursuant to the Offer in an amount expected to be equal to the aggregate amount of the New Securities (the “**Maximum Acceptance Amount**”), subject to the Offeror’s right to modify such amount in its sole and absolute discretion and for any reason. Tenders of Securities in the Offer may also be pro-rated and subject to rounding adjustments, as further described in the Tender Offer Memorandum.

THE OFFER COMMENCES ON 17 JUNE 2025 AND WILL EXPIRE AT 17:00 HOURS (CET) ON 24 JUNE 2025 (THE “EXPIRATION DEADLINE”), UNLESS EXTENDED, REOPENED, AMENDED, WITHDRAWN OR TERMINATED AT THE SOLE DISCRETION OF THE OFFEROR.

Purchase Price

If the Offeror decides to accept valid tenders of Securities for purchase pursuant to the Offer, the Offeror will, on the Settlement Date, pay for the Securities validly tendered for purchase pursuant to the Offer (and not validly withdrawn) and accepted by the Offeror for purchase pursuant to the Offer a cash purchase price equal to 100.80 per cent. of the principal amount of the relevant Securities.

Accrued Interest

The Offeror will also pay an Accrued Interest Payment in respect of Securities validly tendered pursuant to the Offer (and not validly withdrawn) and accepted for purchase by the Offeror pursuant to the Offer.

Rationale for the Offer

The purpose of the Offer and the proposed issue of the New Securities is to proactively manage the Group’s hybrid capital and is intended to optimise the Group’s balance sheet structure. The transaction will also provide Holders with (i) a degree of liquidity to the extent the Securities of such Holders are accepted in the Offer and (ii) the possibility to subscribe for New Securities, as more fully described under the heading “*Priority Allocation of the New Securities*” below. Securities repurchased by the Offeror pursuant to the Offer will be cancelled and will not be re-issued or sold.

Final Acceptance Amount and Scaling

If the Offeror decides to accept valid tenders of Securities pursuant to the Offer, the Offeror will announce the final aggregate principal amount accepted for purchase pursuant to the Offer (the “**Final Acceptance Amount**”) as soon as reasonably practicable after the Expiration Deadline.

If the Offeror accepts any Securities for purchase pursuant to the Offer and the aggregate principal amount of the Securities validly tendered for purchase pursuant to the Offer (and not validly withdrawn) is greater than the Final Acceptance Amount, the Offeror intends to accept such Securities for purchase on a *pro rata* basis such that the aggregate principal amount of such Securities accepted for purchase pursuant to the Offer is not greater than the Final Acceptance Amount.

In the event of any pro-ration of Securities, each tender of Securities (i.e., each separate valid Tender Instruction relating to the relevant Securities accepted for purchase) will be scaled by a factor (the “**Scaling Factor**”) derived from (a) the Final Acceptance Amount, divided by (b) the aggregate principal amount of the relevant Securities that have been validly tendered pursuant to the Offer (and not validly withdrawn), subject to the adjustments described in the Tender Offer Memorandum.

Tender Instructions

In order to participate in, and be eligible to receive the Purchase Price Payment and the Accrued Interest Payment pursuant to, the Offer, Holders must validly tender their Securities for purchase by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction in respect of the Securities held by such Holders that is received by the Tender Agent by 17:00 hours (CET) on 24 June 2025 (the “**Expiration Deadline**”), unless extended, re-opened, amended and/or terminated as provided in the Tender Offer Memorandum.

Holders are advised to check with any bank, securities broker or other intermediary through which they hold Securities when such intermediary would need to receive instructions from a Holder in order for that Holder to be able to participate in, or (in the limited circumstances in which revocation is permitted) revoke their instruction to participate in, the Offer by the deadlines specified in the Tender Offer Memorandum.

The deadlines set by any such intermediary and each Clearing System for the submission and withdrawal of Tender Instructions will be earlier than the relevant deadlines specified in the Tender Offer Memorandum.

Tender Instructions will be irrevocable except in the limited circumstances described in the Tender Offer Memorandum.

Holders are advised that they are bound by the Tender Instructions submitted by them even if any other sale of the Securities after submission of the relevant Tender Instruction would be more advantageous. An extension of the Offer Period, a postponement of the Acceptance Date or an increase of the Purchase Price are not events that entitle a Holder to withdraw from a Tender Instruction.

Tender Instructions must be submitted in respect of a minimum principal amount of Securities of no less than €100,000, being the minimum denomination of the Securities, and may be submitted in integral multiples of €1,000 thereafter. A separate Tender Instruction must be completed on behalf of each beneficial owner.

New Financing Condition

Whether the Offeror will accept for purchase any of the Securities validly tendered pursuant to the Offer is subject to the successful settlement of the issue of the New Securities (the “**New Financing Condition**”).

Priority Allocation of the New Securities

The Issuer will, in connection with the allocation of the New Securities, consider among other factors whether or not the relevant investor seeking an allocation of the New Securities has, prior to such allocation (which will occur before the Expiration Deadline), validly tendered or indicated a firm intention to the Offeror or the Dealer Managers that it intends to tender Securities pursuant to the Offer and, if so, the aggregate principal amount of Securities tendered or intended to be tendered. Therefore, a Holder who wishes to subscribe for New Securities in addition to tendering its Securities for purchase may be eligible to receive, at the sole and absolute discretion of the Issuer, priority in the allocation of the New Securities, subject to the issue of the New Securities and such Holder also making a separate application for the purchase of such New Securities to the Dealer Managers (in their capacity as joint bookrunners of the issue of the New Securities) or to any other manager of the issue of the New Securities in accordance with the standard new issue procedures of such manager. However, the Issuer is not obliged to allocate the New Securities to a Holder who has validly tendered or indicated a firm intention to tender Securities pursuant to the Offer.

All allocations of the New Securities, while considering any firm indications to validly tender Securities (as well as any valid tenders of Securities) as set out above, will be made in accordance with customary new issue allocation processes and procedures of the relevant manager.

The following table sets forth the expected dates and times of the key events relating to the Offer. The times and dates below are indicative only.
