

Promotora de Informaciones, S.A. ("**PRISA**" or the "**Company**"), in accordance with Article 227 of the Law 6/2023, of 17 March, of the Securities Markets and Investment Services (*Ley de los Mercados de Valores y de los Servicios de Inversión*), hereby discloses the following

OTHER RELEVANT INFORMATION

Following the announcement of "other relevant information" published by the Company on April 30, 2026 (official registry no. 40585), PRISA informs that, during the seventh ordinary conversion period (the "**Seventh Ordinary Conversion Period CN 2023**") of the issuance of subordinated notes mandatorily convertible into ordinary shares of the Company with ISIN code: ES0371743016 (the "**Convertible Notes 2023**") executed by PRISA on February 2023 (the "**Issuance of Convertible Notes Due 2028**"), requests have been received for the conversion of 85 Convertible Notes 2023, whose total nominal amount sums up to EUR 31,450, therefore remaining outstanding, after the conversion periods that have taken place to date, 41,117 Convertible Notes 2023, representing 11.70% of the total nominal amount of the Issuance of Convertible Notes Due 2028 (351,350 Convertible Notes 2023 were issued and subscribed for a total nominal amount of EUR 129,999,500).

In view of the result of the Seventh Ordinary Conversion Period CN 2023, the Board of Directors of the Company has unanimously approved on its meeting held today the following resolutions:

- 1) Redeem the 85 Convertible Notes 2023 whose conversion has been requested during the Seventh Ordinary Conversion Period CN 2023 (the "**Convertible Notes 2023 to be Redeemed**").
- 2) Partially execute the capital increase approved by the Company's Board of Directors on its meeting held on January 9, 2023 within the framework of the Issuance of Convertible Notes Due 2028, setting the share capital at the amount resulting from adding to the current share capital of PRISA (EUR 134,904,962.20) the necessary amount to attend the conversion, at the fixed conversion price in force on May 8, 2026 (EUR 0.36), of the Convertible Notes 2023 to be Redeemed.

For this purpose, it has been resolved to increase the share capital by a total nominal amount of EUR 8,736.10 (the "**Capital Increase by Conversion of the CN 2023**"), by issuing and placing into circulation 87,361 new ordinary shares of the Company, each with a par value of EUR 0.10, of the same class and series as the shares of PRISA currently outstanding (the "**New Shares**").

Fractions of shares will be paid in cash to the holders of the Convertible Notes 2023 to be Redeemed since, as the conversion price has been set at EUR 0.36 on May 8, 2026, the conversion ratio of the Convertible Notes 2023 to be Redeemed does not give, in any case, a whole number of new shares. The Company will pay in cash to the holders of the Convertible Notes 2023 to be Redeemed the fractions of shares that result within 5 business days following the date on which the New Shares have been recorded in the corresponding registries maintained by Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. ("**Iberclear**") and its participating entities.

The issue price of the New Shares is EUR 0.36 per share (EUR 0.10 of par value plus EUR 0.26 of share premium). Therefore, the total share premium amounts to EUR 22,713.86 and the effective amount (par value plus share premium) of the Capital Increase by Conversion of the CN 2023 amounts to EUR 31,449.96.

The New Shares will be fully subscribed and paid up, and the share premium satisfied, by the holders of the Convertible Notes 2023 to be Redeemed by their conversion and redemption.

The New Shares will be ordinary shares equal to those currently outstanding, and will confer to their holders, as from the date of their registration within the accounting records of Iberclear, the same economic and voting rights as the Company's shares currently outstanding.

The New Shares will be represented by book-entries, which will be maintained by Iberclear and its participating entities.

The public deed relating to the Capital Increase by Conversion of the CN 2023 is expected to be executed in the next days.
