**THE DEADLINES SET BY ANY INTERMEDIARY OR CLEARING SYSTEM MAY BE EARLIER THAN THE ABOVE DEADLINE.**

The Offer is made on the terms and subject to the conditions (including the New Financing Condition) contained in the Tender Offer Memorandum and should be read in conjunction with the Tender Offer Memorandum. Capitalised terms used but not otherwise defined in this announcement shall have the meaning given to them in the Tender Offer Memorandum.

The submission of a valid Tender Instruction through the Clearing Systems will be irrevocable except in the limited circumstances in which the revocation of a Tender Instruction is specifically permitted in accordance with the terms of the Offer.

Preferred Securities may only be Offered for Sale in multiples of €200,000, being the liquidation preference of the Preferred Securities.

#### **Rationale for the Offer**

The rationale for the Offer is to efficiently manage the Offeror's Tier 1 capital position and optimise the liquidity and debt maturity profile of the Offeror. Preferred Securities purchased by the Offeror pursuant to the Offer will be cancelled

and will not be re-issued or re-sold. Preferred Securities which have not been validly submitted and accepted for purchase pursuant to the Offer will remain outstanding.

### **Amount subject to the Offer**

The Offeror proposes to accept Preferred Securities for purchase up to the Maximum Acceptance Amount on the terms and subject to the conditions (including the satisfaction or waiver of the New Financing Condition) contained in this Tender Offer Memorandum (although the Offeror reserves the right, in its sole and absolute discretion and for any reason, to increase or decrease the Maximum Acceptance Amount). The acceptance of any Preferred Securities validly Offered for Sale is at the sole and absolute discretion of the Offeror and the Offeror reserves the absolute right not to accept any Preferred Securities validly Offered for Sale pursuant to the Offer.

### **New Preferred Securities and New Financing Condition**

The Offeror also announces its intention, subject to market conditions, to issue a new series of euro-denominated non-step-up non-cumulative contingent convertible perpetual preferred tier 1 securities (the "**New Preferred Securities**"). Whether the Offeror will accept for purchase any Preferred Securities validly tendered in the Offer is subject, without limitation, to (unless such condition is waived by the Offeror in its sole and absolute discretion) the successful completion (in the sole determination of the Offeror) of the issue of the New Preferred Securities (the "**New Financing Condition**").

The New Preferred Securities are being offered outside the United States to non-U.S. persons, pursuant to the provisions of Regulation S of the United States Securities Act of 1933 ("**Regulation S**"), as amended (the "**Securities Act**"). The New Preferred Securities will not be registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States and may not be offered or sold in the United States or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. persons absent registration or an applicable exemption from the registration requirements of the Securities Act. Any investment decision to purchase any New Preferred Securities should be made solely on the basis of the information contained in the preliminary offering circular relating to the New Preferred Securities that has been made available to investors together with pricing details.

### **Priority in Allocation of the New Preferred Securities**

A Qualifying Holder who wishes to subscribe for New Preferred Securities in addition to tendering its Preferred Securities for purchase pursuant to the Offer may receive, at the sole and absolute discretion of the Offeror, priority in the allocation of the New Preferred Securities, subject to the issue of the New Preferred Securities and such Qualifying Holder making a separate application for the purchase of such New Preferred Securities.

**Qualifying Holders should note that the pricing and allocation of the New Preferred Securities are expected to take place prior to the Expiration Time for the Offer and any Qualifying Holder that wishes to subscribe for New Preferred Securities in addition to tendering existing Preferred Securities for purchase pursuant to the Offer should therefore provide, as soon as practicable, and prior to the allocation of the New Preferred Securities, to the Dealer Managers (referred to below) any indications of a firm intention to tender Preferred Securities for purchase pursuant to the Offer and the quantum of Preferred Securities that it intends to tender in order for this to be taken into account as part of the New Preferred Securities allocation process in accordance with the provisions above.**

Please refer to the Tender Offer Memorandum for further details.

### **Purchase Price**

The Purchase Price shall be 100 per cent. of the nominal amount of the Preferred Securities accepted for purchase pursuant to the Offer.

### **Tender Consideration**

The consideration (the "**Tender Consideration**") payable on the Settlement Date (referred to below) to a Qualifying Holder whose Preferred Securities are validly Offered for Sale and accepted for purchase by the Offeror pursuant to the Offer will be an amount in euro equal to the sum of:

- (i) the product of (x) the Purchase Price and (y) the nominal amount of the relevant Preferred Securities; and
- (ii) an amount in cash equal to distributions accrued and unpaid (if any) from (and including) the distribution payment date immediately preceding the Settlement Date to (but excluding) the Settlement Date, calculated in accordance with the terms and conditions of the Preferred Securities, unless distributions on the Preferred Securities for that period are cancelled,

rounded, if necessary, to the nearest €0.01, with €0.005 being rounded upwards.

### **Maximum Acceptance Amount**

The Offeror proposes to accept Preferred Securities for purchase up to a maximum aggregate nominal amount of Preferred Securities expected to be equal to the aggregate nominal amount of the New Preferred Securities (the "**Maximum Acceptance Amount**") on the terms and subject to the conditions contained in the Tender Offer Memorandum (although the Offeror reserves the right, in its sole and absolute discretion and for any reason, to increase or decrease the Maximum Acceptance Amount).

### **Acceptance of Offer to Sell Preferred Securities and pro-rata**

The Offeror will determine, in its sole and absolute discretion, the aggregate nominal amount of Preferred Securities accepted for purchase pursuant to the Offer (the "**Acceptance Amount**"). Until the Offeror announces whether it has decided to accept valid Offers to Sell pursuant the Offer and until the satisfaction or waiver of the New Financing Condition, no assurance can be given that any Preferred Securities validly Offered for Sale pursuant to the Offer will be accepted. Even if the New Financing Condition is satisfied, the acceptance of any Preferred Securities validly Offered for Sale is at the sole and absolute discretion of the Offeror and the Offeror reserves the absolute right not to accept any Preferred Securities validly Offered for Sale pursuant to the Offer.

If the Offeror decides to accept Preferred Securities for purchase pursuant to the Offer and in the event that valid Tender Instructions are received in respect of an aggregate nominal amount of Preferred Securities which is greater than the Acceptance Amount, such Tender Instructions will be accepted on a pro rata basis such that the aggregate nominal amount of Preferred Securities accepted for purchase is no greater than the Acceptance Amount, as further set out in the Tender Offer Memorandum.

For the avoidance of doubt, the Offeror will determine the Acceptance Amount in its sole and absolute discretion.

### **Extension, Termination and Amendment**

The Offeror reserves the right to extend, withdraw, terminate or amend the terms and conditions of the Offer at any time following the announcement of the Offer and prior to the announcement of the result of the Offer, as described in the Tender Offer Memorandum under the heading "*Extension, Termination and Amendment*".

No offer or invitation to acquire any securities is being made pursuant to this announcement.

None of the Offeror, the Dealer Managers or the Tender Agent or any of their respective directors, employees, officers, agents or affiliates expresses any opinion about the merits of the Offer or makes any recommendation as to whether or not any Qualifying Holder should Offer to Sell its Preferred Securities and no one has been authorised by the Offeror, the Dealer Managers or the Tender Agent to make any such recommendation.

##### **France**

The Tender Offer Memorandum and any documents or offering materials relating to the Offer may not be distributed in the Republic of France except to qualified investors (*investisseurs qualifiés*) as defined in Article 2(e) of the Prospectus Regulation, as amended, and Article L.411-2 of the French Code monétaire et financier as amended from time to time. The Tender Offer Memorandum has not been and will not be submitted for clearance to nor approved by the *Autorité des marchés financiers*.

##### **Republic of Italy**

None of the Offer, the Tender Offer Memorandum or any other documents or materials relating to the Offer has been or will be submitted to the clearance procedures of the *Commissione Nazionale per le Società e la Borsa* ("**CONSOB**") pursuant to Italian laws and regulations. Holders or beneficial owners of the Preferred Securities that are located in Italy may tender their Preferred Securities in the Offer through authorised persons (such as investment firms, banks or financial intermediaries permitted to conduct such activities in Italy in accordance with the Financial Services Act, CONSOB Regulation No. 20307 of 15 February 2018, as amended from time to time, and Legislative Decree No. 385 of 1 September 1993, as amended) and in compliance with applicable laws and regulations or with requirements imposed by CONSOB or any other Italian authority.

Each intermediary must comply with the applicable laws and regulations concerning information duties vis-à-vis its clients in connection with the Preferred Securities and/or the Offer.

##### **Spain**

Neither the Offer nor the Tender Offer Memorandum constitute an offer of securities or the solicitation of an offer of securities in Spain which require the approval and the publication of a prospectus under Regulation (EU) 2017/1129, Spanish Law 6/2023, of 17 March, on the Securities Markets and the Investment Services (*Ley 6/2023, de 17 de marzo, de los Mercados de Valores y de los Servicios de Inversión*), as amended from time to time, and its ancillary and related regulations. Accordingly, the Tender Offer Memorandum has not been and will not be submitted for approval nor approved by the CNMV.

##### **General**

The Tender Offer Memorandum does not constitute an offer to buy or the solicitation of an offer to sell Preferred Securities, and tenders of Preferred Securities for purchase pursuant to the Offer will not be accepted from Holders, in any circumstances in which such offer or solicitation is unlawful.

Each holder of Preferred Securities participating in the Offer will also be deemed to give certain representations and warranties in respect of the jurisdictions referred to above and generally as set out in "Procedures for submitting Offers to Sell - Representations, warranties and undertakings by the Holders and Direct Participants" of the Tender Offer Memorandum. Any Offer to Sell Preferred Securities pursuant to the Offer from a Holder or its Direct Participant that is unable to make these representations and warranties will not be accepted. Each of the Offeror, the Dealer Managers and the Tender Agent reserves the right, in its absolute discretion, to investigate, in relation to any Offer to Sell Preferred Securities, whether any such representation and warranty given by a Holder is correct and, if such investigation is undertaken and as a result the Offeror, the Dealer Managers or the Tender Agent determines (for any reason) that such representation and warranty is not correct, such Offer to Sell shall not be accepted.

#### **NEW PREFERRED SECURITIES**

The offering of the New Preferred Securities may be restricted by law in certain jurisdictions and therefore persons into whose possession this announcement comes should inform themselves about and observe any such restrictions. Any failure to comply with these restrictions could result in a violation of the laws of any such jurisdiction.

**PROHIBITION ON MARKETING AND SALES TO RETAIL INVESTORS:** The New Preferred Securities are complex financial instruments with high risk and are not a suitable or appropriate investment for all investors. Each of the managers participating in the issue of the New Preferred Securities (the "**Managers**") has represented and agreed that the offers of the New Preferred Securities in the European Economic Area ("**EEA**") and in the United Kingdom ("**UK**") shall only be made to eligible counterparties and professional clients, each as defined in Directive 2014/65/EU on markets in financial instruments (as amended, "**MiFID II**") or the FCA Handbook Conduct of Business Sourcebook ("**COBS**"). Additionally, in some jurisdictions, regulatory authorities have adopted or published laws, regulations or guidance with respect to the offer or sale of securities such as the New Preferred Securities. Potential investors in the New Preferred Securities should inform themselves of, and comply with, any applicable laws, regulations or regulatory guidance with respect to any resale of the New Preferred Securities (or any beneficial interests therein).

Investors in Hong Kong should not purchase the New Preferred Securities in the primary or secondary markets unless they are professional investors (as defined in the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong) and its subsidiary legislation, "**Professional Investors**") only and understand the risks involved. The New Preferred Securities are generally not suitable for retail investors.

**PROHIBITION OF SALES TO EEA RETAIL INVESTORS –** The New Preferred Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97 (the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently no key information document (KID) required by Regulation (EU) No. 1286/2014 on key information documents for packaged and retail and insurance-based investment products (the "**PRIIPs Regulation**") for offering or selling the New Preferred Securities or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the New Preferred Securities or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

**PROHIBITION OF SALES TO UK RETAIL INVESTORS –** The New Preferred Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of the UK domestic law by virtue of the UK domestic law by virtue of European Union (Withdrawal) Act of 2018 (the "**EUWA**"); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (the "**FSMA**") and any rules or regulations made under the FSMA to implement Insurance Distribution Directive, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of the UK domestic law by virtue of the EUWA ("**UK MiFIR**"); or (iii) not a qualified investor as defined in Article 2 of the Prospectus Regulation as it forms part of UK domestic law by virtue of the EUWA.

Consequently no key information document required by the PRIIPs regulation as it forms part of UK domestic law by virtue of the EUWA (the "**UK PRIIPs Regulation**") for offering or selling the New Preferred Securities or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the New Preferred Securities or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

**MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPs ONLY TARGET MARKET –** Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the New Preferred Securities has led to the conclusion that: (i) the target market for the New Preferred Securities is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the New Preferred Securities to eligible counterparties and professional clients are appropriate. The target market assessment indicates that the New Preferred Securities are incompatible with the needs, characteristic and objectives of retail clients (as defined in MiFID II). Any person subsequently offering, selling or recommending the New Preferred Securities (a "**distributor**") should take into consideration the manufacturers' target market assessment. However, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the New Preferred Securities (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

UK MIFIR PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPs ONLY TARGET MARKET – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the New Preferred Securities has led to the conclusion that: (i) the target market for the New Preferred Securities is only eligible counterparties, as defined in the COBS, and professional clients, as defined UK MiFIR; and (ii) all channels for distribution of the New Preferred Securities to eligible counterparties and professional clients are appropriate. Any distributor should take into consideration the manufacturers' target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook is responsible for undertaking its own target market assessment in respect of the New Preferred Securities (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

The New Preferred Securities are being offered outside the United States to non-U.S. persons, pursuant to the provisions of Regulation S. The New Preferred Securities will not be registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States and may not be offered or sold in the United States or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. persons absent registration or an applicable exemption from the registration requirements of the Securities Act. Any investment decision to purchase any New Preferred Securities should be made solely on the basis of the information contained in the preliminary offering circular relating to the New Preferred Securities that has been made available to investors together with pricing details.

This announcement is not being distributed to, and must not be passed on to, the general public in the UK and is not intended to be an invitation or inducement to engage in investment activity for the purpose of Section 21 of the FSMA. This announcement is directed only at: (i) persons who are outside the UK; (ii) persons who are investment professionals within the meaning of Article 19(5) of the Financial Promotion Order; (iii) high net worth entities falling within Article 49(2)(a) to (d) of the Financial Promotion Order or (iv) any other persons to whom this announcement for the purposes of Section 21 of the FSMA can otherwise lawfully be distributed (all such persons together being referred to as "**relevant persons**"), and must not be acted on or relied upon by persons other than relevant persons. Any investment or investment activity to which this announcement relates is available only to and will be engaged in only with relevant persons.

The New Preferred Securities may not be offered or sold or distributed, nor may any subsequent resale of New Preferred Securities be carried out in Spain, except in circumstances which do not require the registration of a prospectus in Spain or without complying with all legal and regulatory requirements under Spanish securities laws. No publicity or marketing of any kind shall be made in Spain in relation to the New Preferred Securities.

Neither the New Preferred Securities nor the Offering Circular in connection thereof have been registered with the CNMV and therefore the Offering Circular is not intended for any offer of the New Preferred Securities in Spain that would require the registration of a prospectus with the CNMV.

This announcement is not an offer of securities or investments for sale nor a solicitation of an offer to buy securities or investments in any jurisdiction where such offer or solicitation would be unlawful. No action has been taken that would permit an offering of the New Preferred Securities or possession or distribution of this announcement in any jurisdiction where action for that purpose is required. Persons into whose possession this announcement comes are required to inform themselves about and to observe any such restrictions.

Singapore Securities and Futures Act Product Classification – In connection with Section 309B of the Securities and Futures Act 2001 of Singapore (the "SFA") and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the "**CMP Regulations 2018**"), Santander has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the New Preferred Securities are 'prescribed capital markets products' (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in the MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and the MAS Notice FAA-N16: Notice on Recommendations on Investment Products).
