Analyst & Investor
Presentation

February 12th 2025

MAPFRE S.A. (MAPFRE) hereby informs that the figures and ratios in this activity presentation, unless stated otherwise, are homogenized local accounting figures obtained from the financial statements prepared by MAPFRE Group companies, presented under the accounting principles in force in each country. For comparison and aggregation purposes, certain adjustments have been applied between units and regions, the most relevant being: the elimination of the goodwill impairment in Spain and the elimination of Nat Cat reserves in some countries in Latin America. In Malta and Portugal, the local accounting applied is IFRS 17 & 9.

This document is for information purposes only and its aim is to show the development of the most relevant business indicators of MAPFRE's units in the period. Its content does not constitute, nor can it be interpreted as, an offer or an invitation to sell, exchange or buy, and it is not binding on the issuer in any way.

MAPFRE S.A. does not undertake to update or revise periodically the content of this document.

Certain numerical figures included in the presentation have been rounded. Therefore, discrepancies in tables between totals and the sums of the amounts listed may occur due to such rounding.
