### Enagás completes the sale of 40% of Enagás Renovable, S.A. to Hy24

**Madrid, 21<sup>st</sup> April 2026.**

Enagás has completed the partial sale of its stake in Enagás Renovable, transferring a 40% ownership interest to Hy24 for a consideration of €48 million. Following the completion of this transaction, Enagás retains a 20% stake in the share capital of Enagás Renovable.

The transaction will generate a positive impact on Net Profit of approximately €9.5 million in 2026.

Enagás' stake in Enagás Renovable was primarily aimed at driving the development of the renewable hydrogen sector in Spain, supporting the growth of this technology in its early stages, as well as the development of biomethane. At present, hydrogen development is accelerating across the entire value chain.

In view of the progress in the roll-out of the Hydrogen Backbone Network led by Enagás, and with the aim of ensuring full compliance with European regulations on the unbundling of activities, Enagás has initiated a divestment process in Enagás Renovable, as outlined in the 2025–2030 Strategic Update.
