OTHER RELEVANT INFORMATION

Talgo, S.A. ("Talgo" or the "Company") informs that the presentation of its results for the first half of fiscal year 2025 will take place on September 30, 2025, within the established legal deadline, instead of August 1, as originally planned.

This adjustment to the schedule responds to the Company's decision to submit its results or interim financial statements as of June 30, 2025, to a limited review by external auditors, in the context of the potential share capital increase announced on July 29, 2025, to the CNMV through Inside Information with registration number 2839, the approval of which will be submitted to the Extraordinary General Shareholders' Meeting.

With this measure, Talgo reinforces its commitment to maximum transparency of information to the market and its investors, ensuring that the interim financial statements accurately and substantially reflect the Company's economic and financial situation at a particularly important time.

This is communicated for the appropriate purposes.
