ICSID has once again ruled in favour of Enagás in arbitration proceeding No. ARB/21/65, declaring that Peru has breached the Agreement on the Reciprocal Promotion and Protection of Investments between the Kingdom of Spain and the Republic of Peru (Spain–Peru BIT), in relation to Enagás Internacional S.L.U.'s investment in the Peruvian companies TGP and COGA.

The Arbitral Tribunal orders Peru to allow Enagás to transfer abroad any accrued, current and future dividends arising from its stake in TGP, as well as to return the USD 65 million bank guarantee provided by Enagás.

Further to the communications dated 20 December 2024 (reference no. 2535) and 26 May 2025 (reference no. 2756), the Company hereby announces that yesterday the International Centre for Settlement of Investment Disputes ("ICSID") notified Enagás of the award rendered in the arbitration proceedings relating to its investment in TGP and COGA (ICSID Case No. ARB/21/65).

The award finds that the Republic of Peru has breached its obligations under Articles 4 and 7 of the Peru–Spain BIT, in connection with Enagás Internacional S.L.U.'s investment in TGP and COGA. Accordingly, it orders Peru to allow Enagás to freely transfer any accrued, current and future dividends arising from its stake in TGP, as well as to cancel and return the USD 65 million bank guarantee lodged by Enagás pursuant to Law 30737 and its Regulations. In addition, the Tribunal orders Peru to pay the costs of the proceedings in an amount exceeding USD 4 million.

The Company reiterates its willingness to maintain a constructive dialogue with the Government of Peru with a view to implementing the award in a manner satisfactory to both parties.
