

Pursuant to article 227 of the consolidated text of the Securities Market Act, approved by Royal Legislative Decree 4/2015, of 23 October, and its concordant provisions, Opdenenergy Holding, S.A. (hereinafter, "**Opdenenergy**" or the "**Company**"), hereby informs of the following:

OTHER RELEVANT INFORMATION

Opdenenergy obtains favourable Prior Administrative Authorisations (PAAs) for the totality of the 2,320MW before the expiry of Royal Decree-Law 23/2020.

100% of Opdenenergy projects in Spain subject to the expiry of Royal Decree-Law 23/2020, totaling 2,320MW, have obtained PAAs from the Administration. Of all these megawatts, 96 correspond to projects already built, 806 to projects in the construction phase, 1,101 to projects for the asset sale agreement with Bruc and 317 to projects to be executed.

These PAAs obtained, which are the next step to the environmental approvals obtained before the previous milestone of 25 January 2023, give even greater visibility to the growth objectives set out in the company's strategic plan, which are being implemented according to schedule.
