

Alcobendas, 2 January 2026

Pursuant to the provisions in article 227 of Law 6/2023, 17 March, on the Spanish Securities Markets and Investment Services (Ley 6/2023, de 17 de marzo, de los Mercados de Valores y de los Servicios de Inversión) and applicable provisions, Indra Sistemas, S.A. (the “**Company**” or “**Indra Group**”) hereby notifies the following

OTHER RELEVANT INFORMATION

The Company hereby informs that Hisdesat Servicios Estratégicos, S.A. (“**Hisdesat**”), company in which Indra Group holds a majority stake, has activated a contingency plan to ensure the continuity of the services committed to the Ministry of Defence and its other clients, following the fortuitous impact of a space particle on the SpainSat NG II satellite (the “**satellite**”), which it owns, during the orbital transfer phase.

Hisdesat confirms that its operational capabilities have not been affected and that it remains committed to the strategic objectives of the SpainSat NG II program and its ability to provide the services it has committed to.

Once the technical teams complete their analysis of the incident, if it is confirmed that the damage affects critical areas of the satellite, its replacement will be initiated as soon as possible.

The foregoing is announced to all appropriate effects.
