Following the completion of the share buyback program announced on 30 July 2026, Fluidra's Board of Directors has approved the cancellation of the 2,071,424 own shares acquired under the program, representing approximately 1.1% of the Company's share capital.

Transaction details

At its meeting held on 27 October 2026, the Board of Directors of the Company has agreed to reduce the share capital by a nominal amount of EUR 2,071,424, through the cancellation of 2,071,424 treasury shares with a par value of EUR 1 each (the "**Capital Reduction**"). The Board has acted in use of the authorization conferred by the Ordinary General Shareholders' Meeting of Fluidra held on 6 May 2026, under the twelfth item of its agenda.

These shares were repurchased by Fluidra under the Company's Buy-back Program, which was carried out for the specific purpose of reducing the Company's share capital. The share buyback program was announced by the communication of inside information of 30 July 2026 (registration number 3,322) and its completion by the communication of other relevant information of 18 September 2026 (registration number 42,794).

As Fluidra itself holds the shares being cancelled, the Capital Reduction does not involve any return of contributions to shareholders. It will be charged to unrestricted reserves, through the allocation of a restricted reserve for redeemed capital for an amount equal to the nominal value of the cancelled shares. Once the deed of Capital Reduction is registered, Fluidra's share capital will stand at EUR 190,057,646, represented by 190,057,646 shares with a par value of EUR 1 each.

The Company has also agreed to request the delisting of the cancelled shares from the Madrid and Barcelona Stock Exchanges (Spanish Stock Exchange Interconnection System - Continuous Market).

Fluidra expects to execute the Capital Reduction deed in the coming days. The

Company will announce its registration with the Commercial Registry by means of the corresponding communication of other relevant information.
