# Disclaimer

This document and any related conference call or webcast (including any related Q&A session) has been prepared by ACS, Actividades de Construcción y Servicios, S.A. (hereinafter “ACS” or “the Company”, and in conjunction with its subsidiaries the “ACS Group”) exclusively for been used during the presentation of the Capital Markets Day. The Company does not assume any liability for the content of this document or any related call or webcast if used for any different purpose.

The present document may contain forward-looking statements, opinions and information (hereinafter, the “Statements”) relating to the ACS Group (hereinafter, the "Company" or "ACS").

These Statements may include financial forecasts and estimates or statements regarding plans, objectives and expectations regarding matters, such as the customer base and its evolution, growth of the different business lines and of the global business, market share, possible acquisitions, divestitures or other transactions, the outcome of recently completed transactions, the Company’s results and its operations, including its environmental, social and governance commitments and targets. The Statements can be identified, in certain cases, through the use of words such as “target”, “forecast”, "expectation", "anticipation", “aspiration”, "purpose", "belief" “may”, “will”, “would”, “could”, “plan”, “project” or similar expressions or variations of such expressions.

In any case, these Statements do not intend to be exhaustive, nor have been verified by third parties or audited, therefore, ACS's opinions and aspirations with respect to future events should be considered indicative, provisional and only for illustrative purposes. For this reason, these Statements do not represent, by their own nature, any guarantee of future fulfilment or profitability, and are subject to risks and uncertainties that could cause the final developments and results to materially differ from those expressed or implied by such Statements. These risks and uncertainties include those identified in the documents containing more comprehensive information filed by ACS with the different supervisory authorities of the securities markets in which its shares or other subsidiaries’ shares are listed and, in particular, the Spanish National Securities Market Commission (CNMV) and the Federal Financial Supervisory Authority Bafin.

Except as required by applicable law, ACS does not assume any obligation to publicly update the Statements to adapt them to events or circumstances taking place after the date hereof, including changes in the ACS’s Group business, changes in its business development strategy or any other circumstances.

This document and any related conference call or webcast (including any related Q&A session) may contain summarised, non-audited or non-IFRS financial information (including information referred to as “organic” and “underlying”). Therefore, should not be considered a substitute for audited financial information presented in accordance with IFRS. The Company’s non-IFRS financial measures may differ from similarly titled measures used by other companies. In addition, there are material limitations associated with the use of non-IFRS financial measures since they exclude significant expenses and income that are recorded in the Company’s financial statements. Information related to Alternative Performance Measures (APM) used in this presentation will be included in ACS’s condensed consolidated interim financial statements and consolidated interim management report for the six-month period ended June 30, 2024, which will be submitted to the CNMV.

Neither this document nor any related conference call or webcast (including any related Q&A session) nor any of their contents constitute an offer to purchase, sale or exchange any security, a solicitation of any offer to purchase, sale or exchange any security, or a recommendation or advice regarding any security, or a solicitation for any vote or approval in any other jurisdiction.

This document and any related conference call or webcast (including any related Q&A session) may include data or references to data provided by third parties. Neither ACS, nor any of its administrators, directors or employees, either explicitly or implicitly, guarantees that these contents are exact, accurate, comprehensive or complete, nor are they obliged to keep them updated, nor to correct them in the case that any deficiency, error or omission were to be detected. Moreover, in reproducing these contents by any means, ACS may introduce any changes it deems suitable, may omit partially or completely any of the elements of this document, and in case of any deviation between such a version and this one, ACS assumes no liability for any discrepancy.
