OTHER RELEVANT INFORMATION

COX ABG GROUP, S.A.

Cox Asset México, S.A. de C.V., a Mexican subsidiary of Cox ABG Group, S.A., has priced a bond issuance in the U.S. debt capital markets under Rule 144A / Reg S for a total amount of U.S.$2.0 billion.

The issuance has been structured in two tranches with the following characteristics:

- A first tranche in the amount of U.S.$1.0 billion, with a 5-year maturity and a coupon of 7.125%.
- A second tranche in the amount of U.S.$1.0 billion, with a 10-year maturity and a coupon of 7.75%.

The issuance was approximately 5 times oversubscribed relative to the initial offering size.

The proceeds will be used to refinance the U.S.$2.65 billion bridge loan, as disclosed to the Spanish National Securities Market Commission (Comisión Nacional del Mercado de Valores) by means of an Other Relevant Information announcement dated 26 January 2026 (registration number 38618), in connection with the acquisition of the entire share capital of Iberdrola México, S.A. de C.V. The remaining amount required to complete the refinancing of the bridge loan will be covered through a term loan, which has already been underwritten by the seven financial institutions participating in the bridge facility and is expected to be syndicated in the coming days.

Following settlement of the bond issuance, the Company will host a webcast with the market on Tuesday, 12 May, to present the transaction. Connection details will be duly provided in due course.

In Madrid, on 6 May 2026.
