

Madrid, April 22, 2021

In accordance with article 226 of the consolidated text of the Spanish Stock Market Act approved by the Legislative Royal Decree 4/2015 of 23 October, Codere S.A. (the "**Company**" and together with its subsidiaries, "**Codere**"), hereby informs of the following:

INSIDE INFORMATION

Announcement of Restructuring and Bridge Funding

Codere's operations continue to be severely affected by the Covid-19 pandemic and the consequential operating restrictions in force in many of Codere's markets during 2020 and into 2021.

As referred to in its inside information announcement dated 30 March 2021 (register number 828), as part of its response to the pandemic, Codere has been engaged in constructive conversations with an ad hoc committee (the "**Ad Hoc Committee**") of the largest holders of Codere's €250m super senior secured notes due 2023 (the "**Super Senior Notes**") and its €500m and \$300m senior secured notes due 2023 (the "**Senior Notes**" and together with the Super Senior Notes, the "**Notes**"). The Ad Hoc Committee collectively hold approximately 68% of the Super Senior Notes, and approximately 50% of the Senior Notes.

The Company hereby announces that it has now entered into the following agreements with the Ad Hoc Committee:

- a lock-up agreement (the "**Lock-Up Agreement**"), governed by English law, in relation to a proposed restructuring transaction (the "**Restructuring**"); and
- note purchase agreements to provide EUR 100 million of bridge funding by way of issuance of further Super Senior Notes (the "**Bridge Notes**").

Summary structure charts, showing the Codere group's ownership and finance structure before and after the Restructuring are included in the presentation enclosed with this announcement. Codere expects the Restructuring to complete by 30 September 2021, and to provide further updates on the implementation timeline as it progresses.

Restructuring of equity and anticipated liquidation of the Company

The Restructuring will result in the operating part of the Codere group being transferred to a new holding company ("**New Topco**"). New Topco will be 95% owned by holders of the Senior Notes (the "**Senior Noteholders**"). The remaining 5% of the equity in New Topco will be owned by the Company.

In addition, the Company will receive warrants (the "**Warrants**"), permitting it to subscribe for non-voting shares with an economic value of up to 15% of the net equity proceeds of New Topco following a sale, listing, or certain other circumstances, above a strike price of €220m (subject to dilution for a management incentive plan and other customary upward and downward adjustments). The Warrants will have a 10-year term.

The transfer of the ownership of the operating part of the Codere group to New Topco referred to above will be carried out through an enforcement of the existing security over the shares in Codere Luxembourg 2 S.à r.l. by the security agent for the Notes. This security is governed by Luxembourg law, and is a security under the financial collateral directive (equivalent to a Spanish pledge under the Royal Decree Law 5/2005).

Following completion of the Restructuring, the Company anticipates that it will enter into a liquidation process. Accordingly, it is likely that the Company will be delisted, and subject to detailed structuring (to be agreed), the shareholders could receive their payment in the liquidation at their own choice, either by means of shares in New Topco or in cash as a result of selling the shares that would otherwise be distributed to these shareholders.

Extraordinary General Meeting and Shareholder Support

The Company's Board of Directors has resolved to convene an Extraordinary General Shareholders' Meeting to consider certain matters in connection with the Restructuring (the "**Meeting**"), as referred to in a separate announcement that will follow today.

The Company hereby confirms that it has received undertakings from the holders of over 60% of its shares to vote in favour of the resolutions to be considered at the Meeting, as well as to provide certain further support for the Restructuring.

Restructuring of debt

The Restructuring will also result in amendments to Codere's debt instruments, including:

- The provision of a further EUR 125m of cash funding by the issuance of additional Super Senior Notes (amended as described below). For the avoidance of doubt, these Super Senior Notes are in addition to the Bridge Notes.
- Amendments to the terms of the Super Senior Notes, including:
 - an extension of maturities to 30 September 2026;
 - amendments to the interest rate to 8% cash coupon plus 3% PIK¹ (or, if available liquidity is less than EUR 100m during first 1.5 years, 6% cash coupon plus 5.5% PIK)
- A restructuring of the Senior Notes, including:
 - 25% of the Senior Notes' outstanding principal amount being reinstated (the "**Reinstated Notes**"). The Reinstated Notes will:
 - Pay 2% cash interest, plus: 10.75% PIK interest for the Reinstated Notes denominated in EUR, or 11.625% PIK interest for the Reinstated Notes denominated in USD.
 - Mature on 30 November 2027.
 - 29% of the Senior Notes' outstanding principal amount, plus the approximately €15m cash interest that would otherwise be due in October 2021, being exchanged into subordinated PIK notes (the "**Subordinated PIK Notes**"). The Subordinated PIK Notes will:
 - Pay 7.5% PIK interest, and mature on 30 November 2027.
 - Have no recourse to the operating group.
 - Be stapled to equity in New Topco (see below).
 - The balance of the Senior Notes being exchanged for 95% of the equity in New Topco.
- The Bridge Notes, the Super Senior Notes, the Reinstated Notes, and the Subordinated PIK Notes will benefit from non-call protection for the first 18 months following completion of the Restructuring (i.e. they cannot be redeemed during this period of time without paying a premium), and will then be redeemable at par plus 3% in the following 12 months and par plus 2% in the 12 months thereafter.

Bridge Notes

The Bridge Notes will be provided by Codere's Senior Noteholders in two tranches:

- a first tranche of approximately EUR 31 million, which will be purchased solely by members of the Ad Hoc Committee (the "**First Tranche**").
- a second tranche of approximately EUR 72m, which all Senior Noteholders will be offered the chance to purchase pro rata to their holdings of Senior Notes, subject to satisfying applicable securities laws requirements (the "**Second Tranche**"). The Ad Hoc Committee's pro rata allocation of the Second Tranche will be reduced by the amount of the First Tranche, so that all Senior Noteholders have the opportunity to participate pro rata to their holdings in the Senior Notes. Senior Noteholders wishing to participate in the Second Tranche will need to take certain steps, including ensuring an escrow account is funded with the principal amount of their notes plus an amount for pre-funded interest by no later than 18 May 2021.

¹ This interest rate is paid in kind instead of cash, therefore the amount to be paid as interest is capitalised with the principal of the relevant bond.

The First Tranche will be used to help fund Codere's operations, and is expected to be issued on or about 27 April 2021. The Second Tranche will be used to fund Codere's operations and pay interest on the Super Senior Notes and the Senior Notes, and are expected to be issued on or about 24 May 2021.

The Bridge Notes benefit from an original issue discount of 3%, and subscribers for the Bridge Notes will also receive a deferred issuance fee equal to 3% of the face amount of Bridge Notes purchased by them, subject to completion of the Restructuring. The Ad Hoc Committee will backstop the Bridge Notes to ensure that the full amount is funded, and will receive a fee equal to 2% of the Bridge Notes.

A supplemental indenture to permit the issuance of the Bridge Notes within the Super Senior Notes basket limits will be entered into shortly, and any event ahead of the First Tranche being issued.

Consent Fees

Noteholders who confirm their consent to the Restructuring by acceding to the Lock-Up Agreement by the following dates will be eligible to receive the following consent fees, subject to completion of the Restructuring:

- 18 May: an "**Early Bird Consent Fee**" equal to 0.25% of the principal amount of the Noteholder's holdings of Senior Notes and/or Super Senior Notes (as applicable); and
- 28 May: a "**Consent Fee**" equal to 0.25% of the principal amount of the Noteholder's holdings of Senior Notes and/or Super Senior Notes (as applicable).

For the avoidance of doubt, a Noteholder may be eligible to receive both the Early Bird Consent Fee and the Consent Fee.

Implementation

Codere anticipates implementing the Restructuring either by way of consent solicitation or, if the requisite consents to implement the Restructuring pursuant to a consent solicitation cannot be achieved, an English scheme of arrangement or restructuring plan. Senior Noteholders and Super Senior noteholders who accede to the Lock-Up Agreement will be, among other things, committing to vote in favour of the consent solicitation or the scheme of arrangement / restructuring plan to implement the Restructuring.

Implementation of the Restructuring pursuant to the Lock-Up Agreement is subject to customary terms and conditions, including applicable regulatory and anti-trust conditions, as described therein.

Financial projections and other materials

Certain financial projections and other materials, which were originally prepared for the Ad Hoc Committee, are enclosed with this announcement.

Further information

Term sheets detailing the terms of the Restructuring are scheduled to the Lock-Up Agreement. A copy of the Lock-Up Agreement is enclosed with this announcement.

Pre-Restructuring

Post-Restructuring⁽¹⁾

(1) Anticipated final structure: subject to long form documentation, tax, and detailed structuring

- These financial projections have been built assuming:
 - A progressive recovery of operations according to current de-escalation plans made public by the authorities in the markets where we operate and management expectations thereafter.
 - No material impact from further pandemic waves in 2021 or delays / failure in the vaccination policies in the markets where we operate.
 - No relevant changes in the regulatory framework in which the company operates in any of our markets (except for the introduction of online in Argentina and Panama):
 - No changes to current gaming taxes or gaming licensing policies in our markets.
 - No additional licenses obtained by the company to operate other gaming verticals.
 - Nevertheless, in order to deal with the uncertainties in the business, especially from a regulatory point of view, the projections include a EUR 15m generic cash outflow in the years 2023 and 2024
 - No relevant macroeconomic or political events in any of our markets.
 - Growth capex and investments in the company limited to the expected available liquidity, therefore not representing the maximum achievable value potential of the company (i.e. the plan does not account for all operational improvements and growth opportunities existing in the business).
 - These projections have been performed according to the expectations prevailing at the beginning of March 2021
- These projections cover operational cash flows and financial items excluding the corporate debt structure and the costs of implementing the expected financial restructuring.
- FX projections have been built based on 2021 forwards and inflation differentials thereafter.
 - In the case of Argentina, we have used REM projections for 2021 and 2022 for both the official FX and parallel market rates, and then inflation differentials thereafter. As a consequence the current gap between accounting and effective (i.e. distributable) EBITDA is maintained throughout the projected period.
- There are a number of relevant strategic initiatives that are not included in these projections.
- Finally, please remember that our business is subject to significant volatility as we operate in a heavily regulated industry in emerging markets such as Mexico and Argentina. As a result, our operational and financial performance might be subject to material volatility in the future as it has been in the past.

- Open without Restrictions

- While we expect operating restrictions (opening hours and curfews, capacity, age limitations, etc) to progressively soften during 2021, we don't expect any of our retail markets to operate fully unrestricted in 2021
- Capacity restrictions expected to be reduced from 3Q 2021 onwards, specially in Argentina, Mexico, Panama and Uruguay

The openings calendar reflects our latest expectations as of April 20, 2021. Please note these expectations reflect delayed reopenings or new closings in some markets (mainly Argentina, Italy and Uruguay) which were not contemplated when the 2021-2024 Financial Projections in the following pages were made (beginning of March 2021). As such, these projections would reflect lower revenues, EBITDA and Cash Flows, mainly in 2021, if we were to do them today taking into consideration these updated expectations

 (2) To be determined whether Uruguay will open in May

Note: This CCF projection does not include impact of financial restructuring or the costs to implement it (only includes 1H21 expenses and 2021 coupons).

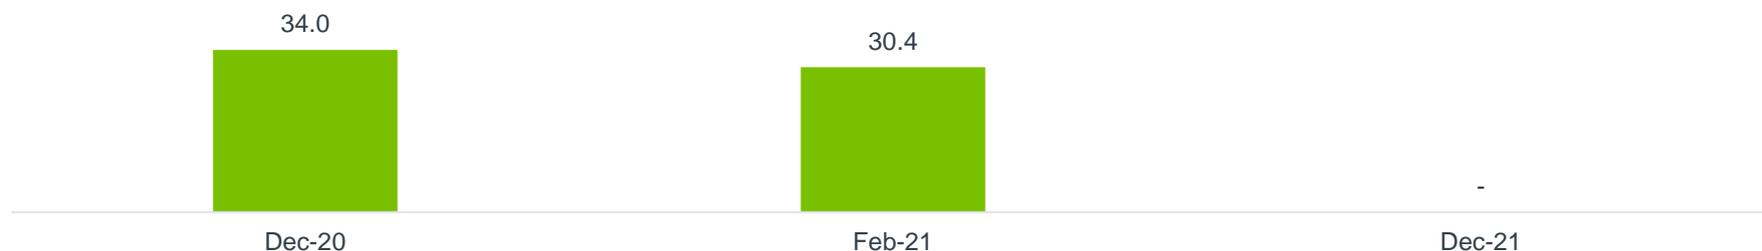

¹ This line mainly incorporates the following:

- Change in working capital: return to normalized Working Capital levels in 2023 and 2024 as most of the overdue commercial payables (€28m as of EOY20) are expected to be repaid through 2021. 2022 includes negative impact from accrued retention LTIP (c.€7m), VAT contingency in Italy (c.€3m), and others (c.€2m).
- Deferred gaming taxes: projections consider an stable balance of €26,2m of deferred gaming taxes since December 2021 bearing a financial cost of 6.0%.
- Advisor fees and other: includes the estimation of advisor fees to be incurred in 1H 21 in relation to the financial restructuring (it is not comprehensive of all expected fees and expenses for the restructuring). 2023 and 2024 figures also include expected outflows as a result of potential changes in regulation or volatility in our markets that could reduce expected operational cash generation.

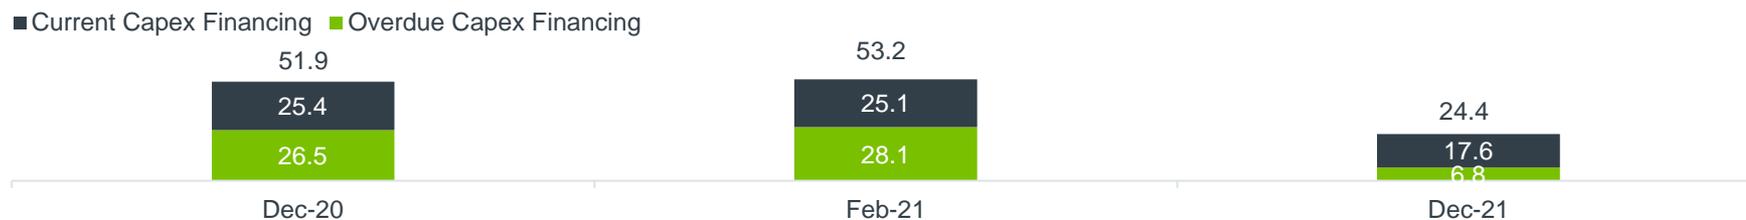

² Includes license renewals needs expected in the different geographies in which we operate. Please note that these are estimates based on past renewal processes, the respective authorities could modify or change the process, timing or calculation of renewal fees.

³ Growth Capex includes €30m investment in the IT Master Plan. Growth Capex in Spain is related to the acquisition of route operators, while in the case of Mexico it is related to the acquisition of 8 halls.

(1) Reflects management estimates as of March 2021 that do not incorporate any external capital raise for the Online Business

(2) Figures reflect growth marketing expenditures

- We hereby show the online base case included in the projections.
- The base case could be improved significantly with certain identified organic growth opportunities in existing core online markets which require €50m+ of additional financing.
- The Company is confident that a number of other non-identified growth opportunities in existing and potential new online markets could be also implemented if additional funding was available.
- Codere has explored a number of alternatives to fund the growth of the Online business and maximize its value with strategic and financial investors (i.e. PE funds, SPAC, family offices).
- Codere would expect the terms of any such transaction in line with the terms below
 - Codere retains economic majority and control
 - Implied valuation in excess of \$250m
 - Potentially up to c.\$130m available funding for online growth
 - Potentially up to \$30m cash distribution to Codere Group (ex online) day 1
- Consistent with the terms of any such transaction as described above, the Company is working on an updated business plan that will show a higher investment in the first years and result in higher EBITDA by the end of the projected period, given that available funding could be higher than initially anticipated under the current business plan

Background

- (A) As referred to in the Company's public announcements, the Group's operations continue to be severely affected by the Covid-19 pandemic and the consequential operating restrictions in force in many of the Group's markets during 2020 and into 2021, and the Group is now overleveraged.
- (B) On 31 March 2021 the Issuer was due to pay interest on the NSSNs (defined below) and on 30 April 2021 the Issuer and Co-Issuer are due to pay interest on the SSNs (defined below).
- (C) If the Group cannot meet its financial obligations within applicable grace periods, certain of its creditors (including the SSN Holders and NSSN Holders, each defined below) will have the right to take enforcement action pursuant to security interests granted by members of the Group, including by Luxco 1 over the entire issued share capital of Luxco 2 (the “**Luxco 2 Equity**”).
- (D) The Company has explored various avenues to obtain the financing the Group (defined below) requires to meet its obligations, including requesting further investment from the shareholders

of the Company. As at the date hereof, such further shareholder investment has not been provided and, having considered the other avenues available, the only feasible avenue available to the Company and the Group to ensure its viability is the transactions described herein.

- (E) The Company and the Ad Hoc Group (defined below) have negotiated the terms for €100 million of cash funded bridge financing (the “**Bridge Financing**”) to be provided to the Group in the form of notes issued under the NSSN Indenture (defined below) (the “**Bridge Notes**”). The Bridge Financing will enable the Issuer and Co-Issuer to pay the interest due on the NSSNs and SSNs (as applicable) in March and April 2021, respectively, on their respective due dates or within applicable grace periods under the relevant Notes Indentures (defined below) and will support the Group while the Restructuring (defined below) is implemented by ensuring the Group can meet other payments and obligations that are necessary to ensure the viability of the Group.
- (F) The Company and the Ad Hoc Group have also negotiated the terms of a restructuring of the Group pursuant to which, among other things:
 - (i) the Luxco 2 Equity will be transferred to a new holding structure through enforcement of the Luxco 2 Share Pledge (defined below);

14.9 **Own responsibility**

- (a) It is understood and agreed by each Consenting Noteholder, for the benefit of the Ad Hoc Group, that at all times it has itself been, and will continue to be, solely responsible for making its own independent appraisal of, and investigation into, all risks arising in respect of the business of the Company and the Group or under or in connection with the Restructuring, this Agreement and any associated documentation including, but not limited to:

 - (iv) the adequacy, accuracy and/or completeness of any information provided by any Company Party and advisors or by any other person in connection with the Restructuring, and/or any associated documentation, the transactions contemplated therein, or any other agreement, arrangement or document entered into, made or executed in anticipation of, pursuant to or in connection with the Restructuring; and
 - (v) the adequacy, accuracy and/or completeness of any advice obtained by the Ad Hoc Group or the Company Parties in connection with the Restructuring or in connection with the business or operations of the Company Parties or the Group.
- (b) Each Consenting Noteholder acknowledges to the Ad Hoc Group that it has not relied on, and will not hereafter rely on, the Ad Hoc Group or any of them in respect of any of the matters referred to in paragraph (a) above and that consequently the Ad Hoc Group members shall not have any liability (whether direct or indirect, in contract, tort or otherwise) or responsibility to any Consenting Noteholder or any other person in respect of such matters.

WHEREAS, pursuant to Section 14.04 (*Certificate and Opinion as to Conditions Precedent*) of the Indenture, the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent provided for in the Indenture relating to the execution of this Supplemental Indenture have been satisfied; and

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Issuer, the Guarantors and the Trustee hereby agree as follows:

ARTICLE I

Section 1.1 Amendments to the Indenture. Effective as of the date hereof, and without any further action by any party hereto, the Indenture is hereby amended as follows:

Section 1.2 Amendment of Section 1.01. Section 1.01 (*Definitions*) of the Indenture is hereby amended by:

- (i) adding the following definitions in the corresponding alphabetical order:

“2021 Lock-Up Agreement” means the Lock-Up Agreement entered into by the Issuer, Parent Guarantor, and certain Consenting Noteholders (as defined therein) on April [•], 2021.

“Fifth Supplemental Indenture Effective Date” means April [•], 2021.

“State Funding Provider” means Sociedad Estatal de Participaciones Industriales, Compañía Española de Financiación del Desarrollo, or any other governmental or state-backed organization that provides or may provide financing (other than, for the avoidance of doubt, a sovereign wealth fund or similar entity that makes investments on ordinary commercial terms).

- (ii) amending the text of the following definitions:

(A) “Permitted Collateral Liens” clause (c) is hereby amended and restated in its entirety as follows:

“(c) Liens on the Collateral to secure Debt permitted under Section 4.06 of this Indenture; *provided* that the assets and properties securing such Debt will also secure the Notes on a first ranking basis; and *provided, further*, that, following the incurrence of such Debt secured by such Liens on the Collateral and giving effect to the application of the proceeds thereof, on a pro forma basis, the Consolidated Secured Debt Leverage Ratio for the four full fiscal quarters for which financial statements are available immediately preceding the incurrence of such Debt, taken as one period, would be less than the Consolidated Secured Debt Leverage Ratio on the Issue Date after giving effect to this offering and the application of the proceeds of therefrom; and *provided, further*, that such Liens securing Debt pursuant to this clause (c) rank equal (with respect to the application of proceeds from any realization or enforcement

of the Collateral in accordance with the Intercreditor Agreement) or junior to the Liens on the Collateral securing the Notes or the Guarantees; provided, however, that this clause (c) shall be suspended as of the Fifth Supplemental Indenture Effective Date unless released from the requirement of this proviso with the prior written consent of the majority in aggregate principal amount of the outstanding Notes,” and

(B) “*Permitted Investments*” clause 14 is hereby amended and restated in its entirety as follows:

“(14) customary investments in connection with receivables facilities;

provided, however, that Clauses (5), (9) and (10) of this definition of “Permitted Investments” are suspended as of the Fifth Supplemental Indenture Effective Date, unless released from the requirement of this proviso with the prior written consent of the majority in aggregate principal amount of the outstanding Notes.”

Section 1.3 *Amendment of Section 4.03*. Section 4.03 ([Reserved]) of the Indenture is hereby amended such that Section 4.03 is replaced in its entirety by the following:

“Section 4.03. Limitation on State Funding Provider Financing. The Parent Guarantor shall not, and shall not permit any Restricted Group Member, to enter into any agreement or arrangement for financing with any State Funding Provider without the prior written consent of holders of a majority in aggregate principal amount of the outstanding Notes. Written consent must include consent by the same holders to the use of proceeds of any such financing.”

Section 1.4 *Amendment of Section 4.04*. Section 4.04 ([Reserved]) of the Indenture is hereby amended and restated in its entirety by the following:

“Section 4.04. Limitation on Certain Transactions.

(a) The Parent Guarantor shall not, and shall not permit any Subsidiary to, in one or a series of related transactions, directly or indirectly, enter into, commit to enter into, allow, permit or make any payment or incur any debt or other liability to a third party in respect of:

(i) any joint venture, partnership, profit or asset sharing agreement, merger, reconstruction, consolidation, amalgamation, collaboration, major project or similar arrangement with any party or invest in any such transaction, or

(ii) any financing, acquisition, sale, assignment, transfer, conveyance or other disposition of, or investment in, any undertaking, business or member of the Group or any assets or property of any member of the Group,

in the case of each of (i) and (ii) with an aggregate value in excess of €50 million, or

(iii) transfer (in any manner whatsoever) any value to any Unrestricted Subsidiary,

in each case, without the prior written consent of holders of a majority in aggregate principal amount of the outstanding Notes.

(b) From the Fifth Supplemental Indenture Effective Date, no member of the Group shall pay, loan, indemnify, incur any liability for, dividend, distribute, upstream, contribute or otherwise transfer any amount or value to the Parent Guarantor other than (i) any indemnity to directors and officers of the Parent Guarantor as provided for in the Lock-Up Agreement and (ii) an aggregate amount equal to €4.5 million for the Ongoing Funding Costs and the Costs Escrow (as defined in the 2021 Lock-Up Agreement).”

Section 1.5 *Amendment of Section 4.06*. This Supplemental Indenture hereby amends Section 4.06 (*Limitation on Debt*) of the Indenture, such that

(i) Section 4.06(a) shall be amended and replaced in its entirety with the following:

“(a) The Parent Guarantor shall not, and shall not permit any Restricted Group Member to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, “incur”) any Debt (including Acquired Debt); provided, however, that the Issuer and any Guarantor may incur Debt if at the time of such incurrence, the Fixed Charge Coverage Ratio for the Parent Guarantor’s most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the

incurrence of such Debt, taken as one period, would be greater than 2.25 to 1.00, determined on a pro forma basis after giving effect to the incurrence of such Debt and the application of the net proceeds therefrom. As of the Fifth Supplemental Indenture Effective Date, the Issuer and Guarantors' ability to incur debt under the preceding Fixed Charge Coverage Ratio is hereby suspended, unless released from the requirement of this proviso with the prior written consent of the majority in aggregate principal amount of the outstanding Notes.”

(ii) Section 4.06(b)(i)(A) is hereby amended as follows:

“(A) Debt represented by the Notes issued on the Issue Date and Debt incurred pursuant to the Revolving Credit Facility; provided that upon the refinancing of the Revolving Credit Facility, the Issuer or any Guarantor may incur Debt represented by Additional Notes issued to the Holders of the Existing Notes or Related Funds, that together with the Notes issued on the Issue Date, amount to an aggregate principal amount at any one time outstanding not to exceed €2350.0 million;”

(iii) Section 4.06(b)(xix) is hereby amended as follows:

“(xix) the incurrence by the Issuer or any Guarantor of Debt in an aggregate principal amount not greater than the aggregate amount of net cash proceeds (other than Excluded Contributions) received by the Parent Guarantor after the Issue Date as a contribution to its common equity capital, or from the issue or sale of its Equity Interests (other than Disqualified Stock) at any time outstanding to the extent such cash proceeds have not been relied upon to make Restricted Payments pursuant to clause (b)(iii)(B) of Section 4.07;

provided, however, that clauses 4.06(b)(iv), 4.06(b)(vi), 4.06(b)(xi), 4.06(b)(xii), and 4.06(b)(xix) are suspended as of the Fifth Supplemental Indenture Effective Date unless the majority in aggregate principal amount of the outstanding Notes release the Issuer or any Guarantor from the requirements of this proviso with prior written consent; provided, further, that the further incurrence of debt under clauses 4.06(b)(iii) and Section 4.06(b)(xiv) shall be limited to the incurrence of Debt for working capital purposes (including, without limitation, the refinancing of existing debt, short term maturities and amortizations), as well as payments in respect of licenses.”

Section 1.6 *Amendment of Section 4.07*. This Supplemental Indenture hereby amends Section 4.07(c) (*Limitation on Restricted Payments*) of the Indenture as follows:

“(xviii) any other Restricted Investment so long as after giving effect to such Restricted Investment on a pro forma basis, the Consolidated Net Leverage Ratio for the four full fiscal quarters for

which financial statements are available immediately preceding such Restricted Investment, taken as one period, would be less than 2.00 to 1.0; provided, further, clauses 4.07(b), 4.07(c)(vi), 4.07(c)(vii), 4.07(c)(viii), 4.07(c)(xvii) and 4.07(c)(xviii) are suspended as of the Fifth Supplemental Indenture Effective Date, unless released from the requirement of this proviso with the prior written consent of the majority in aggregate principal amount of the outstanding Notes.”

Section 1.7 Amendment of Section 4.11. Section 4.11 (*Limitation on Sale of Certain Assets*) is hereby amended with the addition of the following:

“(iii) Notwithstanding the foregoing, from the Fifth Supplemental Indenture Effective Date, the Parent Guarantor shall not, and shall not permit any Restricted Group Member to, consummate any Asset Sale, unless released from the requirement of this proviso with the prior written consent of the majority in aggregate principal amount of the outstanding Notes.”

Section 1.8 Amendment of Section 4.17. Section 4.17 (*Designation of Unrestricted and Restricted Group Members*) of the Indenture is hereby amended and replaced in its entirety with the following:

“Section 4.17. Designation of Unrestricted and Restricted Group Members. The Board of Directors of the Parent Guarantor may designate any Restricted Group Member (other than the Issuer) to be an Unrestricted Group Member (a “Designation”) if that Designation would not cause a Default. If a Restricted Group Member is designated as an Unrestricted Group Member, the Fair Market Value of the Parent Guarantor’s interest in the Subsidiary or Non-Subsidiary Affiliate so designated shall be deemed to be an Investment made as of the time of the Designation and shall reduce without duplication the amounts available for Restricted Payments under Section 4.07(b) and/or the amount available for Permitted Investments, as determined by the Parent Guarantor. That Designation shall only be permitted if the Investment would be permitted at that time and if the Restricted Group Member otherwise meets the definition of an Unrestricted Group Member. The Board of Directors may redesignate any Unrestricted Group Member to be a Restricted Group Member (a “Redesignation”) if the Redesignation would not cause a Default and if all Liens and Debt of such Unrestricted Group Member outstanding immediately following such Redesignation would, if incurred at that time, have been permitted to be incurred for all purposes of this Indenture; provided, however, that from the Fifth Supplemental Indenture Effective Date no Designation of any Unrestricted Subsidiaries shall be permitted other than the designation of a new Luxembourg subsidiary of Codere Newco, S.A.U. as an Unrestricted Subsidiary for purposes of a proposed internal restructuring; provided, further, that any entity designated as an Unrestricted Subsidiary prior to the Fifth Supplemental Indenture Effective Date other than CC JV S.A.P.I. de C.V. and HR Mexico City Project Co. S.A.P.I. de C.V. (for the avoidance of doubt this proviso shall also exclude Hotel ICELA

S.A.P.I. de C.V., Calle ICELA S.A.P.I. de C.V., Centro de Convenciones las Américas S.A. de C.V. and Hotel Entretenimiento las Américas S.A. de C.V.) shall after such date be subject to all the terms of this Indenture as if it had never been so designated and therefore shall be treated as if they were Restricted Group Members, unless released from the requirement of this proviso with the prior written consent of the majority in aggregate principal amount of the outstanding Notes.”

Section 1.9 Amendment of Section 4.30. Section 4.30 (*Liquidity Covenant*) is hereby amended and replaced in its entirety with the following:

“Section 4.30. Liquidity Covenant. (a) The Parent Guarantor and its Restricted Group Members shall, on a consolidated basis, maintain a minimum aggregate amount of €40 million in cash, Cash Equivalents, and borrowings available under their Credit Facilities (the “Available Liquidity”), tested monthly (the “Test Period”) by reference to the Parent Guarantor’s consolidated monthly balance sheet, unless the Consolidated Net Leverage Ratio for the Parent Guarantor and its Restricted Group Member’s most recently ended fiscal month is less than 3.00 to 1.00; provided, however, this Section 4.30 shall be suspended from the Fifth Supplemental Indenture Effective Date until the earlier of the Termination Date and the Company Support Termination Time (each as defined in the 2021 Lock-Up Agreement), unless released from the requirement of this proviso with the prior written consent of the majority in aggregate principal amount of the outstanding Notes.”

Section 1.10 Amendment of Section 6.01. Section 6.01 (*Events of Default*) of the Indenture is hereby amended as follows:

(i) Section 6.01(a)(i) shall be amended as follows:

“default for 30 days in the payment when due of interest on, or Additional Amounts with respect to, the Notes; provided, however, that such period in respect of the interest payment falling on March 31, 2021 shall be 60 days;”

(ii) Section 6.01(a)(iv) shall be amended as follows:

“(iv) failure by the Parent Guarantor or any Restricted Group Member for 60 days after notice from the Trustee or the holders of at least 25% in aggregate principal amount of the Notes to comply with any of the other agreements or obligations in this Indenture; provided, however, that failure to comply with Sections 4.04, 4.17, 4.26, and Section 4.27 and 4.30 shall result in an immediate Event of Default;”

(iii) Section 6.01(a)(viii) shall be amended as follows:

“(viii) other than in connection with the Scheme (as defined in the Lock-Up Agreement), any attachment (*saisies*) is levied against any of the pledged shares of any of the Luxcos or the entry by a court of competent jurisdiction of (A) a decree or order for relief in respect of the Parent Guarantor, the Issuer (including any co-Issuer) or any Subsidiary Guarantor that is a Significant Subsidiary (other than Carrasco Nobile S.A. and its successors and assigns) in an involuntary case or proceeding under any applicable Bankruptcy Law; or (B) a decree or order adjudging the Parent Guarantor, the Issuer (including any co-Issuer) or a Subsidiary Guarantor that is a Significant Subsidiary (other than Carrasco Nobile S.A. and its successors and assigns) bankrupt or insolvent, or seeking reorganization, arrangement, adjustment or composition of or in respect of the Parent Guarantor, the Issuer (including any co-Issuer) or a Subsidiary Guarantor that is a Significant Subsidiary (other than Carrasco Nobile S.A. and its successors and assigns) under any applicable law, or appointing a custodian, receiver, liquidator, assignee, Trustee, sequestrator (or other similar official) of the Parent Guarantor, the Issuer (including any co-Issuer) or any Subsidiary Guarantor that is a Significant Subsidiary (other than Carrasco Nobile S.A. and its successors and assigns) or of any substantial part of their respective properties or ordering the winding up or liquidation of their affairs, and any such decree, order, attachment or appointment pursuant to any Bankruptcy Law for relief shall continue to be in effect, or any such other decree, appointment, attachment or order shall be unstayed and in effect, for a period of 100 consecutive days;”

(iv) Section 6.01(a)(ix) shall be amended as follows:

“(ix) other than in connection with the Scheme (as defined in the Lock-Up Agreement), (A) the Parent Guarantor, the Issuer (including any co-Issuer) or any Subsidiary Guarantor that is a Significant Subsidiary (other than Carrasco Nobile S.A. and its successors and assigns) (x) commences a voluntary case or proceeding under any applicable Bankruptcy Law or any other case or proceeding to be adjudicated bankrupt or insolvent or (y) consents to the filing of a petition, application, answer or consent seeking reorganization or relief under any applicable Bankruptcy Law, (B) the Parent Guarantor, the Issuer (including any co-Issuer) or any Subsidiary Guarantor that is a Significant Subsidiary (other than Carrasco Nobile S.A. and its successors and assigns) consents to the entry of a decree or order for relief in respect of the Parent Guarantor, the Issuer (including any co-Issuer) or any Subsidiary Guarantor that is a Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or to the commencement of any bankruptcy, *concurso mercantil* or insolvency case or proceeding against it or, (C) the Parent Guarantor, the Issuer (including any co-Issuer) or any Subsidiary Guarantor that is a Significant

(v) Section 6.01(a)(xiii) shall be amended as follows:

“(xiii) if either the Termination Date (other than pursuant to Clause 8.1 of the 2021 Lock-Up Agreement) or the Company Support Termination Time (each as defined in the 2021 Lock-Up Agreement) occurs; or” ~~if the Lock Up Agreement terminates other than pursuant to clause 8.1(a) of the Lock Up Agreement.~~

(vi) A new Section 6.01(xiv) shall be added as follows:

“(xiv) if the share capital of Luxco 2 has not been transferred to an entity agreed or designated in writing by or otherwise acceptable to Holders of not less than a majority in principal amount of the then outstanding Notes on or before September 30, 2021.”

Draft for discussion – not an offer or a commitment – not legally binding – subject to due diligence and internal approvals

Schedule 8 of the Lock-Up Agreement
Intercreditor Amendments Term Sheet

This term sheet forms part of the Lock-Up Agreement. Capitalised terms not otherwise defined herein will have the same meaning as provided in the Lock-up Agreement or the Intercreditor Agreement, as applicable.

This term sheet sets forth the principal terms of the proposed amendments to the Intercreditor Agreement.

The matters set out in this term sheet are summary terms only and are not intended to include all the terms and conditions which will be set out in full in the final documentation.

Intercreditor Amendments

Documentation: The Intercreditor Agreement will be amended and restated or replaced by a new intercreditor agreement on the Restructuring Effective Date to reflect, *inter alia*, the amendments described in this Term Sheet (as amended or replaced, the “**Restated ICA**”).

Consents: The consent of the NSSN Holders and the SSN Holders, and instructions to their respective Creditor Representatives and the Security Agent, will be given as part of the Consent Solicitation/Exchange Offer or Scheme/ Plan (as applicable).

The consent of the Surety Bond Provider will be obtained bilaterally as a pre-condition to effectiveness of the Restated ICA.

Consequential Amendments:

Amendments shall be made to reflect:

- any change in group structure following any Luxco 2 Equity Transfer;
- removal of references to the “Initial Revolving Facility” (and related definitions and terminology) and any provisions differentiating between the position prior to and following the “Revolving Facility Discharge Date” (unless required to be retained for ease of reference or comprehension);
- updating of defined terms to more accurately reflect post-restructured capital structure, e.g. separate definitions for Super Senior Notes to be added (i.e. Super Senior Notes to no longer be “Credit Facility Liabilities”).

Creditors as at the Restructuring Effective Date

- “Super Senior Creditors” comprising the Surety Bond Provider[, any Super Senior Hedge Counterparties] and the “Super Senior Debt Creditors”, including the NSSN Holders and NSSN Trustee; and
- “Pari Passu Debt Creditors” comprising [any Pari Passu Hedge Counterparties,] the SSN Holders and SSN Trustee.

Ranking of Debt:

Liabilities of the Debtors shall rank in right and priority of payment in the following order:

- *First:* the Super Senior Debt Liabilities,¹ the Super Senior Hedging Liabilities, the Surety Bond Facility Liabilities and [the Arranger Liabilities]² *pari passu* and without preference among them; and
- *Second:* the Pari Passu Debt Liabilities and the Pari Passu Hedging Liabilities *pari passu* and without preference among them.

Ranking of Transaction Security:

Transaction Security shall secure the liabilities in the following order:

- *First:* the Super Senior Debt Liabilities, the Super Senior Hedging Liabilities, the Surety Bond Facility Liabilities and [the Arranger Liabilities]³ *pari passu* and without preference among them;
- *Second:* the Pari Passu Debt Liabilities and the Pari Passu Hedging Liabilities *pari passu* and without preference among them.

Subordinated and Intra-Group Liabilities

Subordinated Liabilities and the Intra-Group Liabilities shall be postponed and subordinated to the Liabilities owed by the Debtors to the Primary Creditors.

The Restated ICA shall not purport to rank any of the Subordinated Liabilities or the Intra-Group Liabilities as between themselves.

Super Senior Debt Creditors and Super Senior Debt Liabilities:

No restriction on payment of Super Senior Debt Liabilities.

Customary restrictions on Super Senior Debt Creditors taking additional security and guarantees unless offered to other Secured Parties (to the extent legally possible and subject to any Agreed Security Principles).

¹ **Explanatory note:** this definition to cover the NSSNs (including Bridge and NMT) as well as a placeholder for any future credit facility/notes ranking *pari passu* with the NSSNs

² Note: to be included to the extent relevant

³ Note: to be included to the extent relevant

No substantive changes envisaged to provisions relating to Ancillary Lenders and Issuing Banks' ability to take additional security and guarantees and enforce Transaction Security.

Surety Bond Provider:

No substantive changes envisaged to provisions relating to the Surety Bond Provider.

Pari Passu Debt Creditors and Pari Passu Debt Liabilities:

Prior to the Super Senior Discharge Date, no member of the Group may make payments in respect of the Pari Passu Liabilities without the consent of the Required Super Senior Creditors except as permitted by the Restated ICA, including:

- If the payment is of
 - (i) any of the principal amount of or capitalised interest on the Pari Passu Debt Liabilities which is not prohibited from being paid by the Super Senior Debt Documents or the Surety Bond Facility Agreement or (ii) any other amount which is not an amount of principal or previously capitalized interest (including any scheduled interest (whether cash pay or payment-in-kind) and default interest);
 - no Pari Passu Payment Stop Notice (defined below) is outstanding; and
 - no Super Senior Payment Default (defined below) has occurred and is continuing; or
- Creditor Representative Amounts due to the Creditor Representative(s) of the Pari Passu Creditors.

Prior to the Super Senior Discharge Date, if any default in the payment of any amount due under the Super Senior Debt Documents or the Surety Bond Facility Agreement (a "**Super Senior Payment Default**") is continuing all payments in respect of the Pari Passu Liabilities (other than Creditor Representative Amounts and those for which the consent of the Required Super Senior Creditors has been obtained) will be suspended.

Pari Passu Payment Stop Notice:

If an event of default (other than a Super Senior Payment Default) under the Super Senior Debt Documents or the Surety Bond Facility Agreement (a "**Super Senior Event of Default**") is continuing and each Pari Passu Creditor Representative has received a notice (a "**Pari Passu Payment Stop Notice**") from a Super Senior Creditor Representative or the Surety Bond Provider, respectively, all payments in respect of Pari Passu Liabilities (other than Creditor Representative

Amounts and those for which the consent of the Required Super Senior Creditors has been obtained) are suspended until the earliest of:

- 179 days after the receipt by the relevant Creditor Representative(s) of the Pari Passu Payment Stop Notice;

- the repayment and discharge of all obligations in respect of the Super Senior Liabilities.

No new Pari Passu Payment Stop Notice may be served unless 360 days have elapsed since the immediately prior Pari Passu Payment Stop Notice.

No Pari Passu Payment Stop Notice may be served in respect of a Super Senior Event of Default more than 60 days after the date that the relevant Creditor Representative of Super Senior Creditors or the Surety Bond Provider, as applicable, received notice of that Super Senior Event of Default.

No Creditor Representative of a Super Senior Creditor may serve more than one Pari Passu Payment Stop Notice with respect to the same event or set of circumstances, and no Pari Passu Payment Stop Notice may be served in respect of a Super Senior Event of Default notified to a Creditor Representative at the time at which it issued an earlier Pari Passu Payment Stop Notice.

If a Pari Passu Payment Stop Notice ceases to be outstanding or the relevant Super Senior Event of Default or Super Senior Payment Default has ceased to be continuing (by being waived by the relevant Super Senior Creditors or remedied) the relevant Debtor may then make those payments it would have otherwise been entitled to pay under the Pari Passu Liabilities and if it does so promptly any event of default under a Pari Passu Debt Document (a “**Pari Passu Event of Default**”) (and any cross-default or similar provision under any other debt document) which may have occurred as a result of that suspension of

payments shall be waived and any notice which may have been issued as a result of that Pari Passu Event of Default shall be waived.

⁶ **Explanatory Note:** definition of Inside Information to be determined following finalisation of post-RED debt and equity structure.

⁷ **Note to draft:** outstanding information and reference points to be agreed by Majority Consenting SSN Holders following consultation with the Company.

for a period of 45 calendar days (a “**New Issue**”). Each Shareholder will be entitled to receive the same information in relation to any New Issue.

Any New Issue that is intended to comprise Subordinated PIK Notes or Shares will be structured such that is comprised of both Subordinated PIK Notes and Shares (which will be A Ordinary Shares) and issued in the then current staple ratio (i.e. the amount of Subordinated PIK Notes to A Ordinary Shares in issue). Any participant (whether a current Shareholder or a third party) in any New Issue shall be required to subscribe for Subordinated PIK Notes and A Ordinary Shares in such ratio.

Any New Issue not taken up by a Shareholder will be offered to the other Shareholders on the same terms.

If any New Issue is not fully subscribed by existing Shareholders, New Topco may, for a period of up to 45 calendar days, offer the remainder to third party investors (other than Restricted Transferees) on the same or no more favourable terms than as offered to existing Shareholders.

Certain limited exceptions to the above will exist for:

- i. emergency funding, in which case the New Codere Group shall obtain funding which allows the Shareholders to catch-up or otherwise acquire the relevant securities within an agreed period;
- ii. issuing shares as non-cash consideration for the purposes of funding a corporate acquisition, merger, joint venture or similar; and
- iii. any agreed management incentive plan.

MIP

Shareholders (provided that applicable legal requirements are also satisfied, with Simple Shareholder Majority approval) to agree the terms of a MIP providing for dilution to the Shares of not more than [•]% (by reference to the Shares outstanding on the Restructuring Effective Date and subject to dilution for New Issues) (the “**MIP**”). Such MIP shares shall be a non-voting security. The MIP may also include other, non-security based, forms of incentivisation.

Share Transfers

Transfer Restrictions⁸

Neither Shares nor Warrants may be transferred to any person who is a Restricted Transferee other than where a Drag-along is exercised or as part of an Exit. The definition of “**Restricted Transferees**” to be agreed prior to the Restructuring Effective Date but shall solely include sanctioned persons and competitors of the New Codere Group.

The definition of Restricted Transferees may be amended with the approval of an Enhanced Shareholder Majority provided that it shall at all times include sanctioned persons, who may not be excluded from such definition.

⁸ **Note to draft:** to discuss application of the Transfer Restrictions to the distribution of Shares and Warrants following a post-RED liquidation of Codere, S.A. in the context of the long-form documents.

Stapling⁹

Transfers of A Ordinary Shares will only be permitted where the transferor is also transferring an equivalent portion of its holding of Subordinated PIK Notes to the same transferee. De-stapling to occur (i) on a repayment or refinancing in full of the Subordinated PIK Notes or (ii) with the approval of an Enhanced Shareholder Majority.

Stapling will be on an investor group basis such that: (i) commitments under the A Ordinary Shares and the Subordinated PIK Notes may be held by or subscribed for by different Affiliates or Related Funds of a holder of the A Ordinary Shares; and (ii) any such Affiliate or Related Fund shall be free to transfer A Ordinary Shares to any other Affiliate or Related Fund of the relevant holder of the Subordinated PIK Notes without being required to transfer an equivalent proportion of its Subordinated PIK Notes, and vice versa.

In order to assist the holders of the A Ordinary Shares and Subordinated PIK Notes in determining how many Subordinated PIK Notes (on the one hand) must be transferred concurrently with a given number of A Ordinary Shares (on the other hand), and vice versa, illustrative “stapling ratios” shall be published by the Issuers. Such stapling ratios shall be updated periodically to reflect relevant changes to the New Codere Group’s capital structure (including the issuance of Subordinated PIK Notes as PIK interest) from time to time.

Drag-along

If any Shareholder(s) wish(es) to transfer some or all of its (their) Shares (in one or a series of related transactions) to a third party (who may be a current Shareholder) in an arm’s length transaction and where such Shares represent more than 66.67% of the Shares, the selling Shareholder(s) may require that all other Shareholders sell all (and not some only) of their Shares at the same time and implied price and on substantially the same other terms agreed between the dragging Shareholder(s) and the transferee, provided that dragged Shareholders (i) receive cash or cash equivalents for their Shares; and (ii) will not be required to provide any representations, warranties or indemnities other than in respect of title (free from encumbrances), capacity and authorisation (a “**Drag-along**”).

In any Drag-along transaction and as a condition to completion of any transfer by the dragging Shareholders to the transferee, the Subordinated PIK Notes (if any) held by the dragged Shareholders must be acquired by the transferee for a price equal to par plus accrued interest.

Tag-along

If any Shareholder(s) wish(es) to transfer some or all of its (their) Shares (in one or a series of related transactions) to any person (who may also be a current Shareholder) such that the proposed transferee would, on completion of such transfer, hold more than (x) 50% or (y) 66.67% of the Shares then, as a condition to completion of such transfer, the other Shareholders shall have the right to require that the transferee acquire all (and not some only) of their Shares at the same time and at the higher of (i) the implied price in the triggering transaction; and (ii) the highest price the transferee has paid for a Share in the prior 12-month period, and otherwise on substantially the same other terms agreed between the selling Shareholder(s) and the transferee, provided that tagging Shareholders (a) receive cash or cash equivalents for their Shares; and (b) will not be required to provide any representations, warranties or indemnities other than in respect of title (free from encumbrances), capacity and authorisation (a “**Tag-along**”).

⁹ **Note to draft:** Stapling mechanics subject to ongoing review and to be determined by the Majority Consenting SSN Holders.

In any Tag-along transaction and as a condition to completion of any transfer by the selling Shareholders to the transferee, the Subordinated PIK Notes (if any) held by the tagging Shareholders must be acquired by the transferee for the higher of (1) if relevant, the price paid for the stapled Subordinated PIK Notes in the triggering transaction and (2) the highest price the transferee has paid for any Subordinated PIK Notes in the prior 12-month period.

Breach of transfer restrictions

If any Shareholder breaches any of the provisions set out in “Transfer Restrictions”, “Stapling”, “Drag-along” or “Tag-along” above, (i) where such would constitute a “direct” transfer of shares in New Topco, the constitutional documents of New Topco shall deem such transfer to be void; or (ii) where such would constitute an “indirect” transfer, the rights (but not the obligations) of such Shareholder (including its economic rights in respect of the Shares) will be suspended and its Qualifying Shareholder Director (if any) shall be removed, in each case until the breach is cured or otherwise waived by a Simple Shareholder Majority.

Listing

It is intended that the Board will consider the suitability of the New Codere Group for a Listing prior to the end of calendar year 2023 and, following such assessment and if approved as a Board Reserved Matter, recommend to the Shareholders that they, by Simple Shareholder Majority, approve the Board initiating a Listing process and engaging advisers. Implementation of such an Exit would still require approval as a Shareholder Reserved Matter.

“**Listing**” means the admission of the whole or any material part of the issued share capital of New Topco (or a new holding company) to trading on a recognised investment exchange, recognised overseas investment exchange or a designated investment exchange, in each case for the purposes of FSMA or local equivalent, with a minimum 25% secondary offering for the benefit of the Shareholders.

Exit

The Shareholders by Simple Shareholder Majority may, at any time, request that the Board initiate an Exit process. Implementation of such an Exit would still require approval as a Shareholder Reserved Matter.

“**Exit**” means:

- i. a Listing;
- ii. a merger of New Topco with a third party or any other transaction for non-cash consideration; or
- iii. the sale of all or substantially all of the New Codere Group’s business, assets and undertakings to a single buyer or to one or more buyers as part of a single transaction or series of connected transactions, whether by way of a sale of shares or otherwise.

New Topco shall label the information set out in Schedule 3 as public or private (as applicable) prior to providing it to Shareholders. Each Shareholder may elect only to receive information marked public.

_____ 2021

Dear Sir,

Support for restructuring transaction

1. We understand that Codere, S.A. (the "**Company**") has been in discussions with an ad-hoc group of Noteholders to discuss a restructuring proposal for a fundamental restructuring of the Group's balance sheet in order to secure the solvency and viability of the Group. Further, we understand that the Company Parties and the Ad-Hoc Group, amongst others, have or intend to enter into a lock-up agreement in connection with the Restructuring (the "**Lock-Up Agreement**"). In addition, certain Noteholders have agreed to provide the Issuer with additional liquidity in the form of Bridge Financing to support the Group while the Restructuring is implemented.
2. Capitalised terms used in this letter but not otherwise defined have the meanings given to them in the Lock-Up Agreement attached as Annex I to this letter.
3. We further understand that the Board of Directors of the Company intends to convene an extraordinary shareholders' meeting (the "**Extraordinary Shareholders' Meeting**") to consider the following resolutions:

Undertakings

6. We hereby undertake:
- (a) to promptly take all actions which we are able to take and which are necessary or reasonably desirable to support, facilitate, implement, consummate or otherwise give effect to the Restructuring and Bridge Financing, in each case as soon as reasonably practicable (including, without limitation, to the extent required to pass the Resolutions, to cause the convening of a general meeting of shareholders of the Company or the addition of items to the agenda of a general meeting of shareholders of the Company);

 - (f) on the date hereof, to enter into the Restructuring Release.

 - (b) to take or procure the taking of or refrain from taking any action if doing so is reasonably likely to result in: (A) any of our Representatives incurring personal liability or sanction due to a breach of any law, regulation or legal or fiduciary duty; or (B) a breach of law, regulation or legal duty applicable to us;

efectiva la constitución de las mencionadas garantías reales o la extensión y ratificación de la vigencia de las ya existentes.

Annex III

PROPOSAL OF RESOLUTIONS TO THE EXTRAORDINARY GENERAL SHAREHOLDERS' MEETING OF CODERE, S.A.

FIRST.- Ratification of the execution by the Company of a Lock-Up Agreement, as well as any other ancillary documents and transactions executed in the context of the Refinancing.

As announced to the Spanish National Securities Market Commission (*Comisión Nacional del Mercado de Valores*), in the context of the refinancing of certain financing transactions granted to Codere, S.A. (the "**Company**") and other entities of the Group (the "**Refinancing**"), the Company entered into a Lock-Up Agreement on or around April 21, 2021, to which, among others, the Company, Codere Finance 2 (Luxembourg) S.A. (the "**Issuer**"), Codere Luxembourg 1 S.à r.l., Codere Luxembourg 2 S.à r.l. and the guarantor entities, including the Company, are parties, for the purpose of agreeing with creditors of the Group, among other things, the procedure for the implementation of the Refinancing of:

- (iii) the issue of secured senior notes in an amount of EUR 500,000,000, maturing on November 1, 2021, at an interest rate of 6.75% per annum, and in an amount of US\$ 300.000.000, maturing on November 1, 2021, at an interest rate of 7.625%, issued on November 8, 2016, by the Issuer pursuant to an indenture dated November 8, 2016 (as novated, amended or restated from time to time, and in particular as restated on October 30, 2020), in which the Company acts as Parent Guarantor (the "**Senior Notes**"); and
- (iv) the issue of secured super senior notes in an amount of EUR 250,000,000 maturing in 2023 at an interest rate of 12.75% per annum, issued by the Issuer pursuant to an indenture dated July 29, 2020 (as novated, amended or restated from time to time), in which the Company acts as Parent Guarantor (the "**Super Senior Notes**" and, together with the Senior Notes, the "**Existing Notes**").

The content of the Lock-Up Agreement was published by means of an announcement to the Spanish National Securities Market Commission (*Comisión Nacional del Mercado de Valores*) on the occasion of its signing. The Lock-Up Agreement was made available to the shareholders through the Company's website as part of the documentation relating to this General Shareholders' Meeting.

In view of the above, the General Shareholders' Meeting resolves:

- (iii) to ratify the execution of the Lock-Up Agreement by the Company; and
- (iv) to ratify or approve (as applicable) the execution of any document referred to in the Lock-Up Agreement, to which the Company is a party, together with any other documents seeking to support and facilitate the implementation of the Refinancing procedure such as for example (a) agreements for the amendment and novation of creditors' agreements (or, as appropriate, the execution of new ones) over the Existing Notes or any other financing transaction; (b) standstill agreements whereby any creditor institution may waive the exercise of rights or the taking of action against the Company

and the rest of the entities of the Group for indebtedness; or (c) agreements for amendment and novation of any existing financing (or, as appropriate, new financing) transaction, including any guarantee or security, in favour of the Company and the other entities of the Group, including the granting of any guarantee or *in rem* security in this respect;

all of this in view of the interest of the transactions described above for the Group and each of its member entities.

SECOND.- Approval, for the purposes of the provisions of article 160.f) of the Spanish Companies Act (*Ley de Sociedades de Capital*) of the amendment, extension, ratification or granting of any *in rem* security required for the execution of the Financing Transaction.

In the context of the Refinancing, it has been agreed that the Company and the members of its Group execute the following financing transactions (the "**Financing Transactions**"):

- d) the issue by the Issuer, alone or jointly with other entities of the Group, of new Super Senior Notes (the "**New Super Senior Notes**"), under different tranches:
 - (iv) a first series in an amount of EUR 30,928,000, issued on or around April 23, 2021, at an effective rate of interest of 10.75% maturing on September 30, 2023;
 - (v) a second series in a maximum amount of up to EUR 80,000,000, at an effective interest rate of 10.75% maturing on September 30, 2023, to be issued no later than May 31, 2021; and
 - (vi) a third series in a maximum amount of up to EUR 110,000,000, at an effective interest rate of 8% and a capitalizable interest rate (*PIK*) of 3%, subject to potential reductions during the first 18 months of the issue, maturing on September 30, 2026, to be issued at the time of implementation of the Refinancing (defined in the Lock-Up Agreement as the Restructuring Effective Date),

with regard to which the Company acts as Parent Guarantor;

- e) the amendment of certain terms and conditions of the Super Senior Notes, including, but not limited to, the amendment of the interest rate or the extension of its maturity, and in relation to which the Company acts as Parent Guarantor; and
- f) the amendment of certain terms and conditions of the Senior Notes, including, but not limited to, the amendment of the amounts of the issue and the interest rate, the extension of their maturity or the conversion or exchange thereof into any other type of asset or instrument, and in relation to which the Company acts as Parent Guarantor.

Simultaneously, the Company and/or any other entity of the Group is expected to amend, extend, ratify or grant a number of *in rem* security in favour of the creditors, noteholders and/or their agents or representatives under the Financing Transactions, including *in rem* security of pledge over the shares in Codere Luxembourg 1 S.à r.l., owned by the Company, and *in rem* security of pledge over the credit

rights arising from any intercompany loans or facilities, all for the purpose of securing any obligations owed by the Company or other entities of the Group under the Financing Transactions.

Pursuant to the provisions of article 160.f) of the Spanish Companies Act (*Ley de Sociedades de Capital*), the General Shareholders' Meeting resolves to expressly authorise the amendment, extension, ratification or granting of the *in rem* security required for the execution of the Financing Transactions (including, without limitation, the extension and ratification of the pledge of the shares of Codere Luxembourg 1 S.à r.l and on the credit rights arising from intercompany loans or facilities). Such authorisation also extends to any *in rem* security that have been or may be granted, extended or ratified indirectly by the affiliates of the Company in connection with the Financing Transactions (including, without limitation, the pledge of shares or quota shares in any affiliates indirectly owned by the Company and on the credit rights arising from any intercompany loans or facilities).

Accordingly, the General Shareholders' Meeting confirms the authorisations granted by the Extraordinary General Shareholders' Meetings of the Company held on December 15, 2016 and July, 30 2020, for the purposes of article 160.f) of the Spanish Companies Act (*Ley de Sociedades de Capital*), in relation to the *in rem* security granted by the Company and indirectly by any of its affiliates to secure the Existing Notes (the "**Existing Security**"), including, without limitation, the pledge of the shares of Codere Luxembourg 1 S.à r.l and over the credit rights arising from any intercompany loans or facilities.

In addition to the foregoing, the General Shareholders' Meeting authorises, or ratifies, any action of the Board of Directors of the Company, with the express power of delegation, substitution, self-contracting, double or multi-representation, even in the case of existence of any conflict of interest and/or where there is a situation in which there is a conflict of interest or from which a conflict of interest may arise, in such persons as the Board of Directors deems appropriate, to take such steps as may be appropriate or necessary in order to give effect to the amendment, extension, ratification of the Existing Security or granting of *in rem* security required in connection with the Financing Transactions, including, without limitation, the granting, in Spain or abroad, of any public or private documents that may be necessary in order to give effect to the constitution of the aforementioned *in rem* security or the extension and ratification of the validity of the existing ones.
